PROGRAM REPORT

VINYLCUTTING AND SCREENPRINTING WORKSHOP

21.01.2019

IEDC AIMAT Aluva students conducted a training workshop on Vinyl Cutting and screenprinting from January 21st 2019. The programme was inaugurated by Prof. Ansoos Babu, HOD, Dept of Computer Science, in the presence of Prof. HARI K, HOD Dept. of BCA and other department staffs.

The objective of the training workshop was to encourage students to learn and apply the techniques of the Screen printing on their product developments. The idea enabled students to express their imagination through surface mediums. The workshop had given them hands on explorations using various techniques. Completion Certificates were distributed on 21st Jan 2019. The event was graced by Our Honorable Principal, Dr. Naveen Mohan.
