17.05.2023

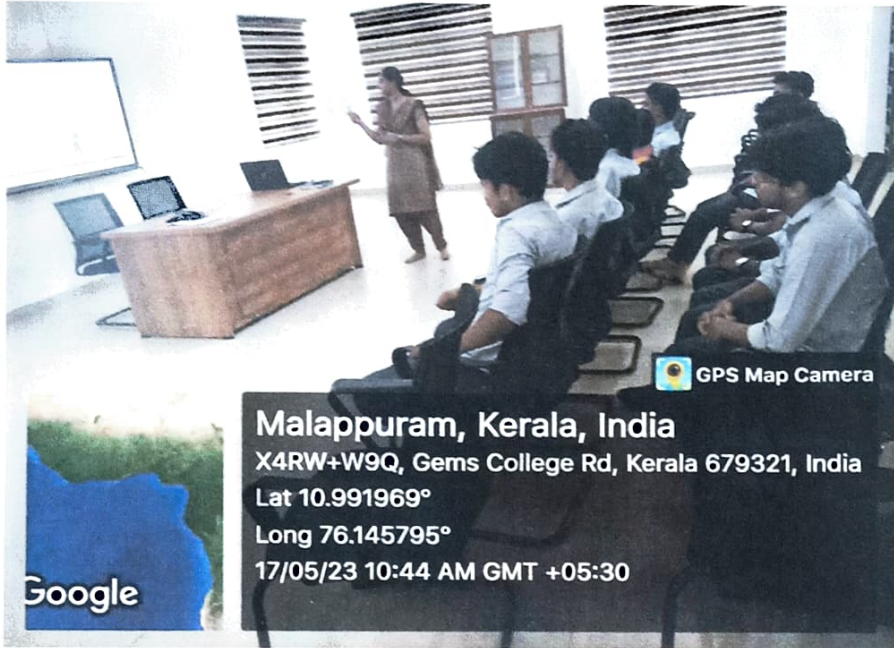

Department of Management Studies in association with IQAC, has conducted a research-oriented seminar on “*DATA COLLECTION AND ITS RELEVANCE IN PROJECT STUDY*” for the BBA second semester students at our Library and Research Centre on 17.05.2023 at 10am. The Resource person was Ms. Haritha Viswanath, Assistant Professor, Department of Management studies, GEMS Arts and Science College. 26 students participated in the seminar.

Even though we circulated about above class and expressed our wish to take part in the class among the colleges with whom Department of Management Studies entered in to MoU viz - Malabar College of Advanced Studies Vengara, MES Arts and Science College Malaparamba, St.Mary’s College Puthanangadi & Safa College of Arts and Science Pookkattiri, the students from these colleges could not attend in the class due to their pre occupied academic engagements/preparations. Participants actively participated in the seminar and they opined that it was an informative session and would enable them for their ensuing project study. There was a question & answer session for the students to clear their queries. The session ended by 12 pm. Submitted for kind information. Student’s participation list is also attached.
