## PROGRAM REPORT

### INTERACTION WITH YOUNG ENTREPRENEUR

05.03.2023

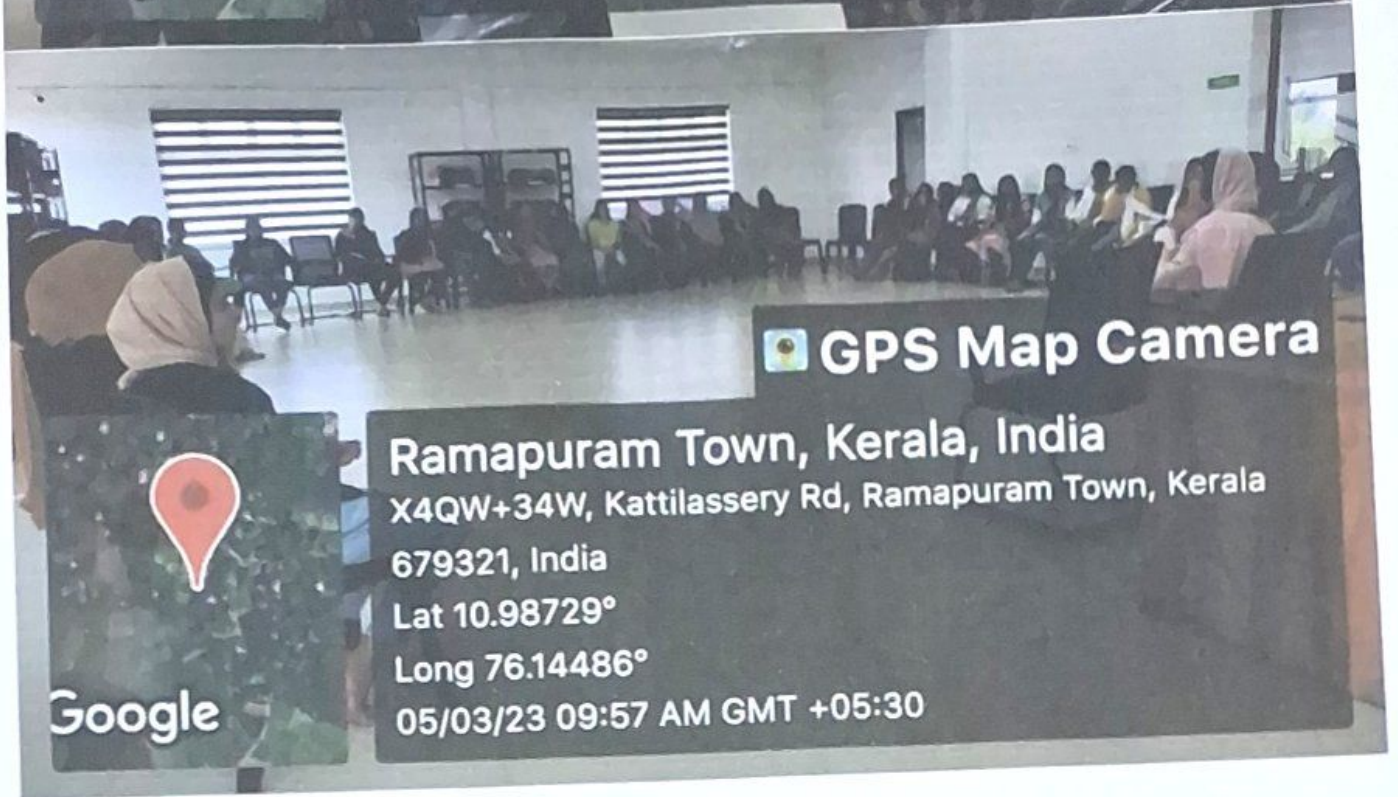

As part of the SHE CAMP initiative in celebration of International Women's Day, the Women Development Cell (WDC) at GEMS Arts and Science College organized an insightful and interactive session titled "Interaction with Young Entrepreneur." This event aimed to inspire and empower young women by introducing them to the world of entrepreneurship and innovation. The "Interaction with Young Entrepreneur" program was held on March 5, 9.30 am, 2023, at the College Research Centre and Library. It provided a unique opportunity for students to engage with successful young entrepreneurs who have made their mark in various industries. The event commenced with a warm welcome by Mrs. Jayasree K G, Coordinator, Women Development Cell. An introduction to the importance of International Women's Day and the objectives of the interaction session was provided.

The heart of the program was a panel discussion featuring accomplished young entrepreneur from diverse backgrounds. Entrepreneur shared their journey, challenges faced, and key insights into the world of entrepreneurship. The discussion was moderated to ensure a dynamic exchange of ideas. Following the panel discussion, students had the opportunity to ask questions and seek advice from the entrepreneur. The entrepreneur shared their success stories, emphasizing the role of determination, innovation, and resilience in achieving their goals. These stories served as a source of inspiration for the aspiring entrepreneurs in the audience. The "Interaction with Young Entrepreneur" program left a profound impact on students. It provided valuable insights into the world of entrepreneurship and inspired young women to explore their entrepreneurial potential. The personal stories and advice shared by the entrepreneur resonated with those in attendance, instilling a sense of empowerment and possibility. A total of 45 participants attended the session.
