PROGRAM REPORT

SOFTWARE PROJECT TRAINING

18.07.2018

The collaboration between the Department of Computer Applications and the Department of Computer Science on July 18, 2018, to organize an initial training session on Software Projects was a significant and synergistic effort. This joint initiative showcased the commitment of both departments to providing valuable opportunities for their students to gain practical insights into the world of software development. The event featured esteemed speakers from Areon Infotech, KINFRA, who brought their expertise to the forefront, ensuring that the training session was informative and enriching. 23 Students were actively participated

Mr. Ummer Mukthar V, the Technical Director, and Mr. Bineesh, the Business Development Officer from Areon Infotech, KINFRA, were instrumental in delivering the training session. Their presence and guidance undoubtedly added tremendous value to the event. The inauguration of the training session by Mr. Anoo Babu P K, the Head of the Department of Computer Science, marked the official commencement of the program, underlining the department's commitment to fostering practical knowledge in software projects. Additionally, Mr. Hari K, the Head of the Department of Computer Applications, extended gratitude to all participants and organizers, reinforcing the collaborative spirit that made the event successful.

The joint effort between the Department of Computer Applications and the Department of Computer Science in arranging the training session on Software Projects exemplified their dedication to providing holistic education to their students. The involvement of industry experts from Areon Infotech, KINFRA, further enriched the learning experience. The event's inauguration by department heads and the expression of gratitude highlighted the significance of this collaboration in shaping the future of aspiring software professionals.
