KERALA DEVELOPMENT INNOVATION STRATEGY COUNCIL AND KITES FOUNDATION SURVEY-CHIRAATH

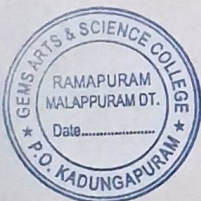

27.05.2023

Kerala Development Innovation Strategy Council (KDISC) and Kites Foundation (Kerala Infrastructure and Technology For Education) of India have joined and conducted a survey in which GEMS NSS unit became a part. The 'Chiraath' was inaugurated on 27th May 2023. First of all, A session was organized for the NSS volunteers of GEMS College along with the members of Puzhakattiri Panchayat in the theatre of Gems College to get to know more about Survey .They also give the volunteers the identity card of Kites Foundation for conducting the survey.The NSS unit worked as a part of Puzhakattiri panchayat in this all India survey. This survey was conducted as part of the changes they can make in every panchayat in India. Thus, Puzhakattiri Panchayat and GEMS NSS UNIT became part of the 66 panchayats selected from the total panchayats in India. The theme of Puzhakattiri Panchayat was to identify disabled children and understand the changes that can be made to them. For this, volunteers of GEMS NSS unit went to different wards and collected information from them.As part of this survey, 5 volunteers from GEMS NSS unit were able to participate in a three-day camp at Vagamon. This survey and the three-day camp helped to provide a new experience for the GEMS NSS UNIT volunteers.
