PROGRAM REPORT
10 RUPEE CHALLENGE PROGRAM
05.01.2023

The Ten Rupee Challenge program, organized by gems arts and science college, students union-2022-23 and inaugurated by Muhammed Navas K, Vice Principal of Administration, on January 5, 2023, served a dual purpose of assisting both financially disadvantaged students and marginalized individuals within society. Participants were tasked with utilizing a mere ten rupees to create innovative projects, reflecting their resourcefulness. The event successfully collected Rs-9454, which were then utilized for a noble cause. The funds were directed towards aiding an accident case, exemplifying the program's commitment to social responsibility and community support. This initiative not only showcased the participants' creative abilities but also demonstrated the power of collective efforts in making a positive impact on society. Around 5 union members coordinated the program.
