**PROGRAM REPORT**  
**"ITHAL"- SEVEN DAYS ANTI-DRUG CAMP**  
**25.12.2022 to 31.12.2022**

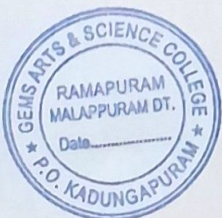

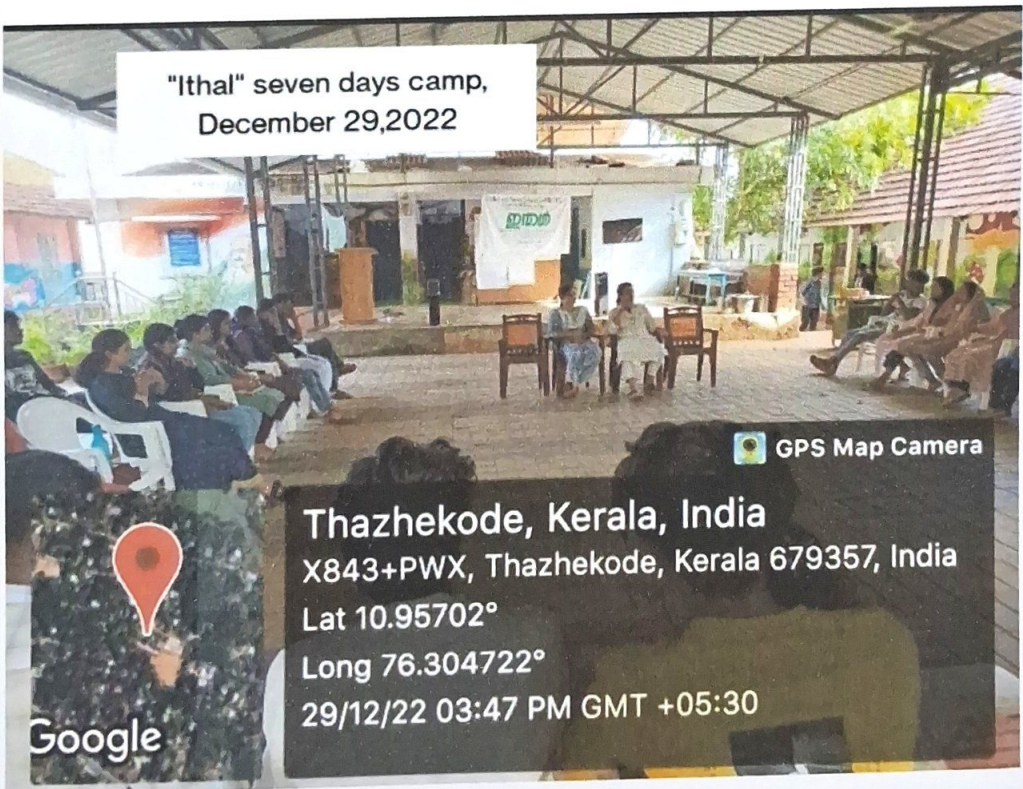

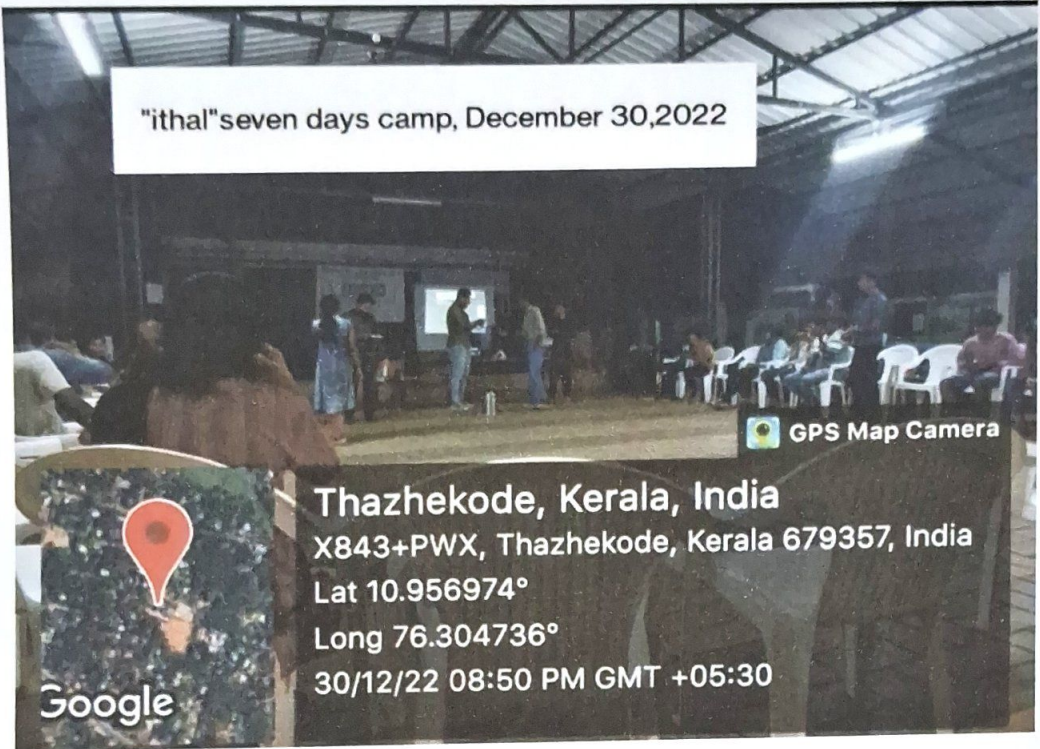

From December 25th to December 31st, 2022, the NSS GEMS unit organized a remarkable seven-day special camp at Thazhekod Government Model Lower Primary (GMLP) School. This initiative marked a significant period of engagement, education, and community involvement for the dedicated volunteers who took part. With a total of 49 volunteers actively participating in the camp, it exemplified the unit's commitment to social responsibility and community development. The special camp's choice of location at Thazhekod GMLP School showcased a focus on education and empowerment at the grassroots level. By selecting a school as the venue, the camp aimed to create a positive impact on both the students and the local community. Such events contribute to the overall educational experience of the students and foster a sense of collaboration between the NSS volunteers and the school's staff. Over the course of seven days, the camp's activities spanned a diverse range of initiatives.

From educational workshops and awareness sessions to community service projects, the volunteers had the opportunity to engage in various impactful activities. This holistic approach allowed the volunteers to not only make a difference within the school but also to connect with the surrounding community, promoting a sense of shared responsibility. The participation of 49 volunteers is indicative of the unit's dynamic engagement and commitment to its mission. Such active involvement illustrates the volunteers' dedication to the values of the NSS and their enthusiasm for community service. By coming together for a week of intensive activities, the volunteers demonstrated their willingness to invest their time and energy in projects that contribute to the betterment of society. The timing of the special camp, coinciding with the end of the year, carries a sense of closure and reflection. By choosing to conclude the year with this impactful event, the NSS GEMS unit signified its dedication to leaving a positive mark and setting a positive tone for the coming year. The Thazhekod GMLP School camp serves as a testament to the potential of community-driven initiatives and the role of youth volunteers in shaping a better future for their communities.
