PROGRAM REPORT

AN AWARENESS PROGRAMME ON THE TOPIC "WASTE MANAGEMENT" TO THE TRIBAL COMMUNITY OF ATTAPADI

10.12.2022

On the 10th of December 2022, the Department of Travel and Tourism organized an awareness program on "Waste Management" in collaboration with the Attappadi Tribal Village. The objective of the program was to raise awareness among the tribal community about the importance of proper waste disposal and to educate them on sustainable waste management practices. After a nutritious lunch, a plantation drive and clean-up campaign were organized within the tribal village, symbolizing the commitment to environmental stewardship. The participants actively participated in planting saplings and cleaning up designated areas. The awareness program succeeded in increasing the understanding of waste management practices among the tribal community. The program fostered a sense of community involvement, encouraging the tribal residents to take an active role in maintaining the cleanliness of their surroundings. About 28 participants were present.
