CIRCULAR

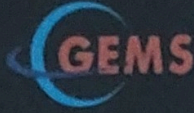

This is to inform you that PG Department of Applied Geology is accompanying with GSI Trivandrum and Karnataka unit in association with Azadi ka Amrit Mahotasav to promote geo-heritage and geo-tourism sites in Kerala. As a part of which a programme is conducted in Angadippuram on 30th November 2022 for the renovation of national monument of laterite in Angadippuram.

We cordially invite all to be a part of this occasion.

Head of the Department

PROGRAM REPORT
RENOVATION OF ANGADIPURAM LATERITE MONUMENT
30.11.2022

As part of Azadi ka Amrit Mahotsav, the Geological Survey of India in association with the PG Department of Applied Geology renovated the Angadipuram laterite monument which is one heritage site in Kerala. The program was conducted on 30th November 2022 at 10:00 am. In the program, 1st&2nd year M.Sc Applied Geology students participated along with Mr.Abdul Rahman C V, Head of the Department, and the other two faculties. In the program geologists from the Geological Survey of India and other eminent personalities in the locality took part.

Dr. S. RAJESH, Director of the Geological Survey of India, Trivandrum briefly described the history and formation of laterite formation in the area. He explained how laterite formed and also described the laterite present in Angadipuram. Dr. Mohammed Sheriff, Director of Field Training Institute, Chittradura also described the importance of laterite in the present economy and also put forward the importance of preserving such geological heritage sites. Through their words, they try to spread awareness about the importance of preserving such sites. After the session, Geologists along with the students visited two laterite quarries near the area where they explained the vertical variation in the laterite formation. They explained about the lithomarge and also about quality variation in laterite. The entire program was very interactive and informative and explained the importance of such structures and formations not only to the students but also to the public.
