Date: 08/02/2022

CIRCULAR

This is to inform you that Department of Geology is conducting an extension activity programme on "Geophysical investigation of groundwater potential in the College premises" on 10th February 2022 at 10:00 AM. The survey is conducting in the nearby localities of the college under the guidance of Mr. Abdul Rahman C V, HOD, P.G Department of Applied Geology.

All are cordially invited to the program.

PROGRAM REPORT
GEOPHYSICAL INVESTIGATION CONDUCTED IN COLLEGE PREMISES
10.02.2022

An electrical resistivity survey was conducted on the college premises to understand the groundwater potential in the area on 10 February 2022. The survey was conducted by the M.Sc. students under the guidance of the Department head Mr. Abdul Rahman C V. About 15 members from college premises actively participated in the program which helped them to develop their practical skills and improve their practical knowledge. Through the survey, the groundwater level in the college premises was found and proper suggestions were made.
