PROGRAM REPORT
STAFF VACCINATION CAMP
03.07.2021

A vaccination drive was organized by GEMS Arts and Science College in association with Aster MIMS Hospital, Kottakkal for staff, students, and parents. The timing of this vaccination camp was particularly significant, considering the ongoing global COVID-19 pandemic, where vaccinations have played a pivotal role in curbing the spread of the virus and safeguarding public health. The participation of 76 individuals reflects a strong commitment to public health and safety within the college community. This initiative's success is a testament to the importance of such vaccination campaigns in protecting the well-being of staff, students, and parents and in contributing to the broader efforts to combat the combat pandemic. With the virus continuing to pose a significant threat to public health, vaccinations have emerged as one of the most effective tools in our arsenal to combat its spread. By organizing this vaccination drive on 3rd July 2021, GEMS Arts and Science College, in partnership with Aster MIMS Hospital, Kottakkal, demonstrated a proactive and responsible approach to addressing the challenges posed by the pandemic.
