**PROGRAM REPORT**  
**A VISIT TO THAVANUR OLD AGE HOME**  
**21.09.2019**

On the 21st of September 2019, the Department of Travel and Tourism at Gems Arts and Science College organized a visit to Thavanur Old Age Home with a special initiative of providing food for the elderly residents. This event aimed to combine the educational aspects of travel and tourism with a philanthropic endeavor, emphasizing the role of tourism in community welfare. Upon arrival, the students were warmly welcomed by the staff and residents of the Old Age Home. The primary activity for the day involved the distribution of food to the elderly residents. Nutritious and culturally appropriate meals were provided, ensuring the well-being and enjoyment of the residents. Following the food distribution, an interactive session was conducted, allowing students to engage in conversations with the elderly residents. This was complemented by a cultural exchange program, where both students and residents showcased their talents. A tour of the Old Age Home facilities provided students with insights into the living conditions and care provided to the elderly residents. The food distribution initiative highlighted the college's commitment to community service and the role of tourism in contributing to the well-being of local communities. The visit fostered an emotional connection between the students and the elderly residents, emphasizing the importance of empathy and social responsibility in the tourism industry. About 36 volunteers visited the old age home.
