On 27 August 2019, the PG Department of Commerce organized a trade fair in association with Kudumbasree Puzhakkatiri Panchayath. The trade fair was conducted on the college grounds at 10:00 a.m. 58 students participated in the program. The trade fair aimed to provide a platform for local entrepreneurs and artisans to showcase and sell their products. The event took place at the college grounds. The event aimed to promote entrepreneurship and create awareness about the importance of supporting local businesses.

The students actively engaged with the participants and explored the wide variety of products on display. They interacted with the entrepreneurs, asking questions about their products and appreciating their craftsmanship. The students showed enthusiasm and interest in supporting local businesses and understanding the stories behind the products. The trade fair showcased a wide range of products, including handicrafts, clothing, accessories, organic produce, and homemade food items. The participants displayed their skills and creativity through their unique and high-quality products. The students had the opportunity to purchase these products directly from the entrepreneurs, thereby supporting local economic growth.

The trade fair in association with Kudumbashree Puzhakkatiri Panchayath was a successful event that brought together students, local entrepreneurs, and artisans. The event not only provided a platform for showcasing and selling products but also created awareness about the importance of supporting local businesses. We extend our gratitude to all the participants, students, and the organizing committee for making this event a resounding success.
