ALUMNI FEEDBACK ANALYSIS REPORT

INTRODUCTION

Alumni feedback analysis serves as an invaluable compass for institutions, guiding their evolution and sculpting their future. It embodies the echo of experiences, perceptions, and sentiments harbored by those who once walked the halls and corridors, leaving imprints that resonate long after their departure. Through the systematic scrutiny of alumni feedback, institutions unearth a trove of insights, uncovering the nuanced tapestry of their strengths, weaknesses, and untapped potentials. This process serves not merely as a reflection but as a catalyst for growth, propelling educational entities to adapt, refine, and innovate in response to the evolving needs and aspirations of their former students. An in-depth examination of alumni feedback represents a pivotal juncture where past meets present, shaping the trajectory of academic institutions and fostering a dynamic environment conducive to continual improvement and excellence.

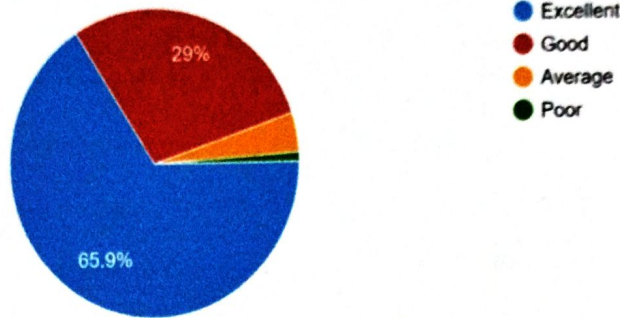

A total of 9 questions were provided to the Alumni. Questions starting from their overall experience, curriculum of the courses, teaching methodologies and curriculum were asked for opinions. Four responses of Excellent, Good, Average and Poor options were given for Alumni to rate the institutions performance.

RECOMMENDATIONS

Segmenting feedback based on graduation year, courses, or demographics provides nuanced understandings critical for targeted improvements. Integrating this feedback into strategic planning becomes paramount, ensuring that actionable steps emerge from the insights gathered. It is highly recommended to encourage alumni involvement in various capacities leverages their expertise, creating a symbiotic relationship beneficial for both parties. Suggestions on improving the canteen, library, transportation, placements are taken on a positive note and measures shall be taken to improve the facilities in the campus.
