The Syndicate meeting held on 22/06/2019 considered the matter and resolved to implement the afore mentioned Government Order and also resolved to take necessary steps to amend the existing clauses 31 (d), (e) and (f) of the Chapter-23 of CUFS 1977, after obtaining permission from the Govt. It was also resolved to sanction marginal increase of seats from this academic year itself to all colleges on fulfilling the infrastructural requirement based on the spirit of the above Govt Order and considering the exigent situation faced by the students in the jurisdiction of the University of Calicut in anticipation of the concurrence of the Government and completion of the statute amendment process. It was further resolved that the Syndicate sub-committee will finalise the number of seats to be allotted to the colleges as marginal increase by 28/06/2019.

4. Consequently, as contained in the University Order cited 5th, orders were issued by framing a time schedule for submitting and processing the applications for additional marginal increase for the year 2019-20. Accordingly, applications for additional marginal increase have been received from various affiliated colleges.

5. The Syndicate sub-committee meeting held on 28/06/2019 considered the whole applications received for additional marginal increase for the year 2019-20, and recommended to grant additional marginal increase to the affiliated colleges, based on the applications and the declaration furnished thereon, observing the following maximum limits.

No	Programmes	Maximum intake
1	UG programmes (Physics, Chemistry, Mathematics and BCA)	48
2	Other Science UG programmes	40
3	All other UG programmes	60
4	Science PG programmes (except Mathematics, Statistics, Psychology, MSW and Computer Science)	16
5	All other PG programmes	25

6. Sanction has been accorded by the Vice Chancellor, vide item No. 6th read above, to approve and implement the above recommendation of the Syndicate sub-committee, subject to the ratification by the Syndicate.

7. The additional marginal increase of intake for the year 2019-20 is, therefore, sanctioned to the various programmes in following affiliated colleges as per the detailed list attached herewith, in anticipation of the concurrence of the Government and completion of the statute amendment process.

8. The marginal increase so sanctioned shall be subject to the following general conditions.

- The marginal increase sanctioned is purely provisional and specifically for the academic year 2019-20 and should not be taken as an addition to the sanctioned strength.
- The seat ratio share between different quota (general, management, community etc) will be the same as that was followed in the case of the actual sanctioned strength of the programme.
- The marginal increase is sanctioned subject to the condition that it should not involve any additional staff and or additional financial commitment either to the Government or to the University.
- The additional marginal increase sanctioned is based on the affidavit submitted by the Principal that the college has sufficient institutional and infrastructural facilities required for accomodating the marginal increase.
- The admission to the marginally increased seats should be made strictly as per the admission rules prescribed by the University and subject to the the continuation of provisional affiliation for the academic year.

9. The Principal should strictly adhere to the above directions while admitting students in their college in order to avoid any further proceedings from the University.
