REPORT ON GENDER SECURITY FACILITIES AT GEMS ARTS AND SCIENCE COLLEGE

GEMS Arts and Science College is unwavering in its commitment to ensuring the safety and well-being of students, with a particular focus on gender security. Through a thoughtful array of facilities and measures, the college aims to provide a secure environment for its female student community. The campus is equipped with strategically positioned CCTV cameras, contributing to continuous surveillance and an enhanced overall sense of security. The college's dedication to residential security is evident in the provision of a dedicated ladies' hostel, complete with a warden room for immediate assistance and supervision. Fire safety is prioritized through the strategic placement of fire extinguishers across the campus. Additional spaces such as a rest room and a sleeper-equipped room cater to female students, offering areas for relaxation and rejuvenation during breaks.

A women cell register encourages open communication, allowing female students to voice concerns and provide feedback. The college's commitment to a secure environment extends to a designated prayer hall, a security guard duty register for round-the-clock surveillance, and easily accessible drinking water facilities. Further, the implementation of a strict anti-ragging policy, supported by an anti-ragging board, underscores the college's commitment to a harassment-free atmosphere. In conclusion, GEMS Arts and Science College proactively addresses gender security through comprehensive facilities, creating a safe, inclusive, and empowering educational experience for all students within a concise and robust framework.
