PROGRAM REPORT

FACULTY DEVELOPMENT PROGRAM - DOCUMENTATION TO INNOVATION: RETHINKING EDUCATION

2022-2023

The Internal Quality Assurance Cell (IQAC) of GEMS Arts and Science College took a significant step in advancing faculty development by conducting a five-day Faculty Development Program (FDP) titled "Documentation to Innovation: Rethinking Education." This program, held from August 16th to August 20th, 2022, aimed to equip faculty members with the knowledge and skills necessary to adapt to the evolving educational landscape.

The FDP commenced with an inauguration led by Dr. Naveen Mohan, the esteemed Principal of GEMS College. His opening remarks set the tone for the event, emphasizing the importance of rethinking education in light of changing dynamics.

Each day of the program was dedicated to a specific theme. Day 1 delved into the "Role of Documentation in NAAC," with an enlightening presentation by Dr. Brijesh K V. On Day 2 Mr. Firoz K A shared valuable insights on "Future of Education & Training Through LMS". Day 3 saw Prof. T. Mohan Babu leading discussions on "Outcome-Based Education", while Day 4 explored "Post COVID Education" under the guidance of Dr. Jithendranath. The program concluded on a high note with Mr. Limseer Ali P enlightening participants about "Reforms in Higher Education System Focusing on NEP 2020."

Interactive sessions and in-depth discussions characterized each day, allowing faculty members to exchange ideas and engage with the resource persons. The program culminated with a lively interaction session, and a heartfelt vote of thanks was delivered by Dr. Finose A, the IQAC Coordinator of GEMS College.

This FDP has undoubtedly empowered GEMS College's faculty with the knowledge and insights needed to innovate in the field of education, aligning perfectly with the institution's commitment to excellence in teaching and learning.
