15 DAY CHALLENGE PROGRAM- QUARANTINE PERIOD OF COVID-19 TO PROMOTE SKILLS AND CREATIVITY- COLLEGE STUDENTS UNION

DATE: MAY 2020 FIRST WEEK ONWARDS

PROGRAMME REPORT

During the challenging period of quarantine due to the COVID-19 pandemic, the College Union of the academic year 2018-19 initiated the "15-Day Challenge Program" to engage students and promote their skills and creativity while staying at home. The program utilized various online platforms for participation and interaction. All these activities were conducted through online platforms to maintain social distancing and prevent the spread of COVID-19.

The 15-Day Challenge Program witnessed active participation from students, who embraced the opportunity to channel their creativity and learn new skills. The online nature of the program allowed for easy submission and sharing of content, fostering a sense of community even in the face of physical isolation. The program not only kept students engaged during quarantine but also helped them develop new skills, share their passions, and connect with their peers in a time when physical interactions were limited. It promoted a sense of resilience and adaptability in the face of challenging circumstances. The 15-Day Challenge Program organized by the College Union in 2018–19 successfully utilized online platforms to keep students engaged, creative, and connected during a period of quarantine. It served as an example of how virtual initiatives can bring the college community together even in challenging times.

Activities and Categories:

1. **Film Review:** Participants were encouraged to watch and review films, sharing their insights and critiques with others.
2. **Photography:** Students showcased their photography skills, capturing unique moments and perspectives from within their homes.
3. **Cartoon Creation:** Cartoon enthusiasts were given the opportunity to express their creativity through original cartoon drawings.
4. **TikTok Challenges:** Students engaged in fun and entertaining TikTok challenges, keeping spirits high during isolation.
5. **Storytelling:** Participants shared their storytelling abilities, crafting and narrating short stories.

HANNOLSAV MEHANDI FEST – COLLEGE STUDENTS UNION

DATE: 15/05/2020 – 26/05/2020

PROGRAMME REPORT

The "HANNOLSAV" Mehendi Fest, conducted online from May 15, 2020 to May 26, 2020 was a vibrant and culturally enriching event that brought together students, alumni, and enthusiasts of the art of mehendi application. This unique festival provided a platform for girls to showcase their creative talents and celebrate the rich tradition of mehendi design. "HANNOLSAV" was a testimony to the power of virtual gatherings, as participants from various corners of the world came together to participate in this online mehendi festival. It was organized with meticulous planning and executed seamlessly through digital platforms.

The online format of "HANNOLSAV" allowed for broader participation, breaking geographical barriers and connecting mehendi enthusiasts worldwide. It promoted the preservation of mehendi as an art form and fostered a sense of community among participants. The involvement of alumni students added to the festival's prestige and encouraged current students to excel in mehendi art. "HANNOLSAV" Mehendi Fest 2019-20 was a resounding success, embracing the online medium to celebrate the beauty of mehendi art and its cultural significance. It showcased the talents of participants, especially homemakers, encouraged cultural exchange, and left a lasting impact on all those who participated. This festival will be remembered as a shining example of how technology can unite people in the pursuit of art and culture.

ARSHAD ACHU RAMSAN RELIEF KIT DISTRIBUTION – COLLEGE STUDENTS UNION

DATE: 28/04/2020

PROGRAMME REPORT

On April 28 2020, the ARSHADU ACHU Relief Foundation organized a benevolent Ramadan relief kit distribution event in the Panangagara locality. The event aimed to provide essential food kits to impoverished families in the community and was inaugurated by the esteemed college chairman and MLA, Manjalamkuzhi Ali. The event began with a ceremonial inauguration led by College Chairman and MLA, Manjalamkuzhi Ali, who played a pivotal role in emphasizing the importance of community assistance during the holy month of Ramadan. The ARSHADU ACHU Relief Foundation distributed Ramadan relief kits to numerous deserving families in Panangagara society. These kits contained essential food items to help the families observe the fasts and celebrate Ramadan with dignity.

The success of the event was largely attributed to the dedicated volunteers who worked tirelessly to ensure the smooth distribution of relief kits. Their selfless efforts underscored the spirit of community service. Given the prevailing COVID-19 pandemic, the event organizers took stringent measures to ensure the safety of all participants and beneficiaries, including social distancing and mask-wearing. The Ramadan relief kit distribution event left a lasting impact on the recipients, who found solace and support during a time of heightened need. It reinforced the notion of empathy and unity within the community. The ARSHADU ACHU Ramadan Relief Kit distribution event on April 28, 2020, in Panangagara served as a beacon of hope and compassion during a significant religious month. College Chairman and MLA Manjalamkuzhi Ali's participation brought gravitas to the event, and the dedicated volunteers' hard work ensured its success. The relief kits provided crucial assistance to underprivileged families, allowing them to observe Ramadan with dignity and grace. Such initiatives demonstrate the power of community solidarity, especially during challenging times, and serve as a reminder of the importance of supporting those in need.

DEBATE -ROLE OF WOMEN IN INFORMATION TECHNOLOGY- DEPARTMENT OF COMPUTER APPLICATION

DATE: 08/03/2020

PROGRAMME REPORT

On March 8, 2020, the Department of Computer Application at GEMS Arts and Science College in Ramapuram organized a thought-provoking debate on the crucial topic of the "Role of Women in Information Technology (IT)." The event aimed to shed light on gender diversity in the IT sector and was moderated by Mohammed Asgar Ali C, Assistant Professor of BCA. The debate served as a platform for students and faculty to engage in a meaningful discussion about the challenges and opportunities women face in the IT industry. The participants, with enthusiasm and eloquence, presented diverse perspectives on the subject, addressing issues such as gender stereotypes, workplace inclusivity, and the significance of encouraging more women to pursue careers in IT. Mohammed Asgar Ali C, in his role as moderator, skillfully facilitated the discourse, ensuring that all voices were heard and fostering an environment conducive to open dialogue. The event underscored the BCA department's commitment to promoting awareness of gender issues and encouraging inclusivity within the realm of Information Technology. This successful debate not only enriched the academic atmosphere but also contributed to the broader goal of fostering a more equitable and diverse IT workforce. The BCA department at GEMS Arts and Science College continues to play a pivotal role in shaping well-rounded and socially conscious professionals for the dynamic field of Information Technology.

CULTURAL FASHION SHOW ON NATIONAL TOURISM DAY – DEPARTMENT OF TRAVEL AND TOURISM MANAGEMENT

DATE: 25/01/2020

PROGRAMME REPORT

GEMS Arts and Science College celebrated National Tourism Day on January 25, 2020, with an engaging and colorful cultural fashion show. The event aimed to showcase the rich cultural diversity of the world through fashion and celebrate the symbiotic relationship between culture and tourism.

Event Highlights:

Diverse Cultural Display: The Cultural Fashion Show provided a platform for students to express their creativity by donning traditional and contemporary attire from various cultures. **Runway Extravaganza:** The highlight of the event was the runway display, where students confidently walked, showcasing their meticulously selected outfits. Each ensemble represented a different culture, fostering an atmosphere of cross-cultural appreciation.

Cultural Fusion: A distinct feature of the show was the innovative blending of cultures. Students presented outfits that seamlessly merged elements from different cultures, reflecting the interconnectedness of the global community.

Artistic Performances: The event included captivating dance and music performances, punctuating the fashion show. Dancers skilfully performed traditional routines, enhancing the cultural experience for the audience. **Guest Speakers:** Eminent personalities from the fields of culture, tourism, and fashion delivered insightful talks. They emphasized the importance of cultural preservation, its impact on tourism, and how fashion serves as a bridge between cultures.

Fashion Designers' Corner: Aspiring fashion designers from the college showcased their talent by presenting outfits that represented cultural amalgamation, pushing creative boundaries.

The Cultural Fashion Show at GEMS Arts and Science College on National Tourism Day celebrated the beauty of cultural diversity and its role in shaping the global tourism landscape. Through the fusion of fashion, music, dance, and interactive displays, the event successfully conveyed the message of unity in diversity and the significance of cultural preservation.

AIDS DAY AWAIRNESS-DRAMATIC MIME- COLLEGE STUDENTS UNION

DATE: 02/12/2019

PROGRAMME REPORT

The College Union of the academic year 2019-20 organized an impactful AIDS Day awareness program on December 2, 2019. The event took place in the college corridor at 12:30 p.m. The aim of this program was to spread awareness about AIDS among all genders and promote understanding and support for those affected by the disease. One of the main highlights of the program was a dramatic mime performance, which effectively conveyed the message about the importance of AIDS awareness and prevention. The mime portrayed the struggles and challenges faced by individuals living with HIV/AIDS and emphasized the significance of empathy and support in our society.

The event witnessed active participation from students, faculty, and staff. The thought-provoking mime performance left a lasting impact on the audience, including all genders, making them more aware of the issues surrounding AIDS. The College Union's AIDS Day awareness program in 2019–20 was a commendable effort to educate and sensitize the college community about the importance of AIDS awareness. The dramatic mime performance was a creative and engaging way to convey the message and foster a more compassionate and informed society. It is recommended that such awareness programs for all students and faculties continue in the future to keep the issue of AIDS in the public consciousness and encourage support for those affected by the disease.

DATE: 13/11/2019

PROGRAMME REPORT

On November 13, 2019, the PG Department of Commerce organized a debate competition on the topic "Gender Equality: Is It Scientific?" The competition had 35 enthusiastic participants who presented their viewpoints on the topic with great enthusiasm.

Opening Ceremony:

The event started with a warm welcome speech by Mr. Sivakumar K, Head of the Department (HOD), The HOD warmly welcomed all the participants, faculty members, and special guests. The HOD thanked the principal, faculty, and organizing committee for their efforts in organizing the event.

Inauguration:

The inauguration was attended by Mr. Naveen Mohan, Principal of GEMS Arts & Science College, Ramapuram. In his opening speech, Sir highlighted the importance of open dialogue and debate in promoting scientific thinking.. The principal praised the efforts of the organizing committee for arranging such an intellectually stimulating event.

Debate Competition:

The debate competition saw the participation of 35 individuals who were divided into pro and con teams. Each participant had a specific time limit to present their arguments, followed by a question and answer session. The debaters discussed various aspects related to gender equality, considering scientific, social, and cultural perspectives. They presented arguments analyzing biological, psychological, and sociological factors that contribute to either gender equality or inequality. The competition was judged by faculty members who evaluated the participants based on their content, delivery, persuasion skills, and ability to counter opposing views. The debate competition showcased the participants' intellectual abilities and their passion for gender equality.

The event ended with a vote of thanks by Mr.Ramees, a respected faculty member of the PG Department of Commerce. Mr.Ramees expressed his gratitude to the principal, HOD, organizing committee, judges, participants, and the audience for their active involvement in making the debate competition a success.

FLOOD RELIEF FUND COLLECTION PROGRAMME- COLLEGE STUDENTS UNION

DATE: 15/08/2019

PROGRAMME REPORT

On August 15, 2019, a commendable fund collection program was organized by the College Union for the academic year 2019-20 at Gems Arts and Science College in Ramapuram. The purpose of this event was to raise funds for flood relief efforts, specifically aimed at assisting families in our society affected by the devastating floods. The event was a collective effort of the college community, which came together to support those in need during this challenging time. Various fundraising activities, including donation drives, auctions, and charity booths, were set up to gather funds for our locality and community. So we can treat it as a community program. The fund collection program displayed the benevolence and solidarity of the college community, emphasizing the importance of lending a helping hand to those facing adversity. The collected funds were intended to provide immediate relief and support to the flood-affected families, contributing to their recovery and well-being. This event reflected the compassionate and caring spirit of the college and left a positive impact by demonstrating the power of unity in times of crisis.
