CHARITY FUND COLLECTION PROGRAM – EID DAY- STUDENTS COLLEGE UNION

DATE: 02/05/2022

PROGRAMME REPORT

On Eid Day, May 2, 2022, Gems College organized a fund-collection program with a noble cause: supporting dialysis patients. The event incorporated a unique initiative called the "Google Pay 20 Rupees Challenge." The primary goal of the program was to raise funds to aid dialysis patients who face financial challenges in managing their treatment expenses. The event took place on Eid Day at Gems College, providing a platform for the community to contribute to a meaningful cause. A creative and inclusive initiative, encouraging individuals to contribute a minimum of 20 rupees via Google Pay, demonstrates that small contributions collectively make a significant impact. The program witnessed active participation from students, faculty, and the community at large. The spirit of Eid was truly reflected in the collective effort to support those in need. The Fund Collection Program successfully gathered substantial contributions, showcasing the community's compassion and solidarity towards the well-being of dialysis patients.

This initiative not only raised funds but also fostered a sense of unity and social responsibility among the participants. The collective effort demonstrated the power of small acts of kindness to make a meaningful difference in the lives of those facing health challenges.

ARSHADU ACHU EID RELIEF KIT DISTRIBUTION

DATE: 29/04/2022

PROGRAMME REPORT

Heart warming relief kit distribution event on April 29, 2022, in the Panangagara locality. The event aimed to provide food kits to underprivileged families in the community and was inaugurated by the Panakkad Sayyid Abbasali Shihab Thangal. The event commenced with the inauguration ceremony led by Panakkad Sayyid Abbasali Shihab Thangal. Their presence added a sense of importance and credibility to the relief efforts. The Arshadu Achu Relief Foundation distributed Eid Relief Kits to numerous deserving families in Ramapuram society. These kits contained essential food items to help these families celebrate Eid with dignity and joy. The event fostered a sense of unity and community spirit as volunteers and organizers came together to serve the needy. The volunteers' enthusiasm and dedication were truly commendable. The relief kit distribution brought smiles to the faces of the recipients, as they received much-needed assistance during these challenging times. It demonstrated the power of compassion and solidarity within the community.

The Arshadu Achu Eid Relief Kit Distribution Event on April 29, 2022, in Ramapuram was a heart warming gesture of kindness and empathy. The relief kits provided essential support to underprivileged families during Eid, spreading hope and positivity in the community. Such initiatives remind us of the importance of coming together to help those in need, especially during challenging times.

FOOD FESTIVAL - PROMOTING AWARENESS ABOUT GENDER EQUALITY - NSS UNIT

DATE: 31/03/2022

PROGRAMME REPORT

The Food Festival named “Vadakkini” was organized ON 31/03/2022 with the objective of promoting awareness about gender equality and empowering all genders within the college community by NSS Unit. The event aimed to create an inclusive environment that celebrates diversity and fosters mutual respect. The festival took place at the college premises, utilizing the central courtyard and adjoining areas for stalls and seating arrangements. A significant number of students from various departments actively participated in organizing and contributing to the festival. Faculty members and staff were present to support and engage with the event. The event commenced with cultural performances that emphasized the importance of gender equality and showcased the talent within the college community. The festival featured a wide variety of food stalls offering cuisines from different regions. This allowed attendees to experience a rich cultural diversity through food. This Programme was a resounding success, achieving its objectives of promoting awareness about gender equality and empowering all genders within our college community. We believe that events like these are essential in creating a campus environment that values and respects diversity.

DATE: 08/03/2022**

PROGRAMME REPORT

On March 8, 2022, the Department of Travel and Tourism Management at Gems College organized a thought-provoking debate in honor of International Women's Day. The event, named "Empowering Voice," aimed to foster a meaningful dialogue on gender equity and empower voices to advocate for positive change. The debate took place in Room No 401, BTM (Bachelor of Travel and Tourism Management), and provided a platform for students to engage in critical discussions surrounding gender-related issues. Debate session was organized by Ms. Veena C Vasanth, Assistant Professor of the Hindi Department, "Empowering Voice" successfully created a platform for meaningful discussions on gender equity, aligning with the spirit of International Women's Day. The event showcased the commitment of Gems College to fostering awareness and understanding of gender-related issues among its student body. We believe that such initiatives contribute to a more inclusive and equitable educational environment.

WOMEN'S DAY - NSS GEMS UNIT**

DATE: 08/03/2022

PROGRAMME REPORT

On March 8, 2022, in celebration of International Women's Day, on behalf of the program, 'women security and laws' , NSS Gems organized a spirited football shootout compilation exclusively for women at the college ground. The event aimed to empower and highlight the prowess of women in sports. Taking place at 3:30 pm, the college ground buzzed with enthusiasm as female participants showcased their football skills in a friendly yet competitive environment.

The event not only promoted physical activity but also fostered a sense of community and solidarity among the participants. Spectators cheered on the talented women, creating an atmosphere of encouragement and appreciation for their athletic abilities. The football shootout successfully combined sport and celebration, contributing to breaking stereotypes and promoting gender equality. NSS Gems demonstrated a commitment to inclusivity and recognition of women's achievements, making the event a memorable and impactful initiative for International Women's Day.

WOMEN'S DAY CELEBRATION – DRAWING COMPETITION - PG
DEPARTMENT OF MICROBIOLOGY
DATE: 08/03/2022

PROGRAMME REPORT

International Women's Day is celebrated globally on March 8th each year to recognize and honour the social, economic, cultural, and political achievements of women. On this occasion, a drawing competition was organized by PG Department of Microbiology for students to promote gender equality, empower young artists, and encourage their creative expression.

The drawing competition was conducted to provide students with a platform to showcase their artistic skills and express their thoughts on gender equality and women's empowerment. Students from various schools participated in the competition, showcasing their talent and creativity through their artwork. The theme of the drawing competition revolved around gender equality and women's empowerment. The students were encouraged to depict through their artwork the importance of equal rights, opportunities, and respect for women in society. They were encouraged to highlight the achievements of women in various fields, break stereotypes, and emphasize the need for a more inclusive and equitable society. The drawing competition organized on International Women's Day provided students with a platform to express their thoughts and creativity regarding gender equality and women's empowerment. Through their artwork, the students conveyed powerful messages, promoting awareness and understanding of the importance of gender equality. This initiative not only encouraged artistic skills but also fostered a sense of empowerment among the participants and those who viewed their artwork. The drawing competition served as a positive and inspiring way to celebrate International Women's Day and contributed to the ongoing efforts to create a more inclusive and equal society for all.

DATE: 08/03/2022

PROGRAMME REPORT

The PG Department of English Language and Literature organised a talk on 'Women Writers and their Works - A discussion' on 8th March 2022, to celebrate Women's Day. The session was held in Room 807 for BA, MA English students. Sruthi B Nair, Assistant Professor, PG Department of English Language and Literature, prompted the students to contribute their views and ideas on the topic. The students shared thoughts on each of their favourite women writers and works. The session aimed to recognise and promote the contributions of women authors throughout history, ensuring their voices are heard. In addition, the department's MA class comprises the majority of girl students, which helped to bring about gender equity in the classroom. The students felt comfortable expressing themselves without fear of discrimination or harassment. The session was brought to a conclusion with the vote of thanks by one of the participants.

LANGUAGE AND LITERATURE**

DATE: 24/01/2022

PROGRAMME REPORT

The PG Department of English Language and Literature arranged a Film Presentation of "A Doll's House" on 24th January 2022 at Room 801 at 1:30 pm. The screening of the movie was organised and conducted by Ebin Thomas, Assistant Professor, PG Department of English Language and Literature. "A Doll's House," written by Henrik Ibsen, is a timeless masterpiece that explores the complexities of 19th-century society and the role of women in it. The film presentation made it easier for the students to understand and analyse the same prescribed for studies. A feedback and understanding of the movie in connection with the novel was delivered by the students by the end of the screening. The event concluded with a token of gratitude delivered by Anand C, Assistant Professor and Head, PG Department of English Language and Literature.

SPARSHAM- SEVEN DAYS RESIDENTIAL CAMP – NSS GEMS UNIT

DATE: 24/12/2021

PROGRAMME REPORT

Sparsham, a seven-day residential camp organized by the GEMS NSS unit, was conducted at Govt. Model UP School Kalikavu from December 24, 2021, to December 30, 2021. The camp revolved around the theme "Youth for Security and Equality of Women." It was inaugurated by **Mr. TK Gopi**, President of Kalikavu Panchayath, and witnessed the presence of other dignitaries, including Mr. Rahmath, PTA President, and Rama Rajan, Education Standing Committee Chairman. **Camp Activities:** The Sparsham camp commenced with a series of projects and programs aimed at enhancing the school's facilities and addressing the theme of security and equality for women. Key activities included:

1. **School Maintenance:** Volunteers actively engaged in maintaining the school, which included gardening and beautification projects. They painted the school walls and tended to the garden and vegetable garden of the school, even during the Christmas vacation.
2. **Educational Sessions:** In addition to physical improvements, the camp focused on the development of students. Various educational sessions were conducted to enhance their knowledge and skills.

Community Engagement: The success of the Sparsham camp was greatly attributed to the support and involvement of the local community, as well as other authorities. The collaborative effort demonstrated the collective commitment to the camp's goals.

Conclusion: The seven-day Sparsham camp at Govt. Model UP School Kalikavu, conducted by the GEMS NSS unit, was a commendable initiative. It focused on both physical improvements to the school's facilities and educational development for the students. The camp emphasized the theme of youth involvement in ensuring security and equality for women. The active participation of volunteers in school maintenance projects and their dedication, even during the Christmas vacation, was a notable achievement. The engagement of the local community and authorities added to the camp's success. This event stood as a testament to the power of community involvement and youth engagement in creating positive change.

CHRISTMAS CELEBRATION – COLLEGE STUDENTS UNION

DATE: 23/12/2022

PROGRAMME REPORT

Plan a Christmas Day celebration at GEMS Arts and Science College! A college celebration can be a wonderful way to bring the community together and spread some holiday cheer. Here's a general outline of how you might organize the event:

1. Theme and Decorations: Choose a festive theme for the celebration, such as "Winter Wonderland" or "A Magical Christmas." Decorate the college campus with lights, garlands, ornaments, and other Christmas decorations.

2. Activities and Workshops: Offer a variety of activities and workshops that blend arts and science in the Christmas spirit. Here are some ideas:

Ornament Making Workshop: Combine arts and crafts with science by explaining the chemistry behind crystal ornaments or the physics of light reflection.

Christmas Carol Singing: Organize a carol singing competition or a performance by a college choir. Science Demonstrations: Set up interactive science demonstrations related to winter phenomena, like explaining the science of snowflakes or demonstrating the concept of thermodynamics using hot cocoa.

3. Cultural Performances: Arrange for dance performances, skits, and other cultural presentations that highlight the diversity of your college community. Students can perform traditional dances or present plays related to the holiday season.

4. Guest Speakers: Invite guest speakers, such as professors, researchers, or experts in fields related to arts and science, to give talks or presentations that tie into the celebration's theme.

5. Food and Refreshments: Set up food stalls or a buffet with a mix of holiday treats, both traditional and modern. Hot chocolate, gingerbread cookies, candy canes, and festive-themed dishes could be part of the menu.

6. Charity Drive: In the spirit of giving, organize a charity drive or donation campaign to support a local cause or organization. This can include collecting toys, warm clothing, or non-perishable food items for those in need.

7. Photo Booth and Contests: Set up a Christmas-themed photo booth with props for fun photo opportunities. You could also organize contests like "Best Ugly Christmas Sweater" or "Best Christmas Hat."

**INTERACTIVE SESSION ON “HOW TO ACHIEVE GENDER EQUITY?” - PG
DEPARTMENT OF MICROBIOLOGY
DATE: 12/10/2021**

PROGRAMME REPORT

The PG Department of Microbiology organized an interactive session on achieving gender equity on 12th October 2021 at 2:30 pm. The event took place in Room Number 408 and featured Ms. Smitha Pramod, the librarian at GEMS ASC, as the resource person.

The session aimed to raise awareness and foster discussions on the importance of gender equity in society, particularly within the field of microbiology. The event was attended by students, faculty, and staff members from the department, as well as other interested individuals.

Ms. Smitha Pramod began the session by highlighting the significance of gender equity in promoting a fair and inclusive environment. She emphasized the need to challenge traditional gender roles and stereotypes, and to create equal opportunities for both men and women in the field of microbiology. During the interactive session, participants engaged in lively discussions and shared personal experiences related to gender equity in academia and research. Ms. Smitha Pramod provided valuable insights, highlighting strategies to address gender disparities and foster an environment that promotes gender equity. The session concluded with a Q&A segment, where participants had the opportunity to seek clarifications and further discuss relevant topics. The event proved to be insightful, encouraging participants to reflect on their own biases and actively work towards achieving gender equity in their respective roles. Overall, the interactive session on achieving gender equity organized by the PG Department of Microbiology was successful in generating meaningful conversations and raising awareness about the importance of gender equity in the field. It provided participants with practical strategies to contribute to a more equitable and inclusive environment in microbiology and beyond.

ORIENTATION CLASS ON "RESPONSIBLE TOURISM AND IATA COURSE FOR FIRST YEAR BTTM STUDENTS - DEPARTMENT OF TRAVEL AND TOURISM MANAGEMENT

DATE: 17/08/2021

PROGRAMME REPORT

An orientation class focusing on "Responsible Tourism" and the "IATA Course" was conducted for the first-year Bachelor's in Travel and Tourism Management (BTTM) students. The session aimed to introduce students to the principles of responsible tourism and provide an overview of the International Air Transport Association (IATA) course, enhancing their understanding of the industry's ethical and operational aspects.

Event Highlights:

IATA Course Overview: A detailed overview of the IATA course was presented, highlighting its relevance in the travel and tourism industry. Students gained an understanding of the course's modules, industry recognition, and potential career opportunities upon completion.

Interactive Sessions: Interactive discussions and group activities were incorporated to encourage student participation. Case studies on real-world responsible tourism practices and IATA-related scenarios were analyzed collectively, fostering critical thinking and practical application.

Industry Experts: Esteemed professionals from the travel and tourism sector were invited to share their experiences and insights. They discussed real-life examples of responsible tourism initiatives and how IATA training can positively impact career prospects.

Curriculum Integration: The orientation class emphasized how the principles of responsible tourism align with the BTTM curriculum. It was highlighted that understanding responsible tourism practices will enhance students' ability to contribute positively to the industry.

Question and Answer Session: A dedicated question and answer session provided students with the opportunity to clarify doubts and seek additional information regarding responsible tourism and the IATA course.

EMPOWERING WOMEN THROUGH BREASTFEEDING: PROMOTING GENDER EQUITY – PG DEPARTMENT OF GENERAL BIOTECHNOLOGY

DATE: 01/08/2021 to 07/08/2021

PROGRAMME REPORT

World Breastfeeding Week is celebrated annually from 1st to 7th August 2021 to raise awareness about the significance of breastfeeding for both infants and mothers. This week provides an opportunity to discuss various aspects related to breastfeeding, including its impact on gender equity. Promoting and supporting breastfeeding initiatives can contribute to achieving gender equity and fostering a more inclusive society.

Points discussed in the session:

1. **The Role of Breastfeeding in Women's Empowerment:** Breastfeeding is a natural and intimate bond between a mother and her child. This act of nourishing infants not only benefits their health but also empowers women in several ways. Firstly, breastfeeding allows women to connect with their maternal instincts and experience the joys of motherhood. This emotional connection enhances their sense of self-worth and strengthens their bond with their children. Moreover, breastfeeding enables women to actively participate in childcare, promoting a more equitable distribution of responsibilities between parents.
2. **Breastfeeding and Gender Equity:** Breastfeeding plays a crucial role in advancing gender equity by addressing several key aspects. Firstly, it helps break down societal stereotypes and gender roles associated with parenting. Breastfeeding demonstrates that nurturing and caring for children is not solely the responsibility of women but a shared duty between both parents. This awareness challenges traditional gender norms and promotes a more egalitarian society where men are actively involved in childcare.
3. **Overcoming Barriers to Breastfeeding:** Despite the numerous benefits of breastfeeding, several barriers hinder its widespread practice. Many women face societal, cultural, and workplace challenges that discourage or limit their ability to breastfeed. Gender inequities are often reinforced through societal expectations that hinder women's access to adequate support and resources.

**WEBINAR ON CAREER OPPORTUNITY IN HOSPITALITY SECTOR -
DEPARTMENT OF TRAVEL AND TOURISM MANAGEMENT**

DATE: 04/08/2021

PROGRAMME REPORT

On the 4th of August, 2021, at 8:00 PM, the Department of BTTM (Bachelor of Travel and Tourism Management) orchestrated an enlightening webinar via Google Meet, addressing the theme of "Career Opportunities in the Hospitality Sector." Suma Nair, a distinguished figure in the industry holding the position of General Manager at Ravees Kollam, served as the resource person for this event.

A noteworthy aspect of this program was the strong emphasis placed on gender neutrality within the hospitality sector. With 31 students from the BTTM department in attendance, the session fostered an inclusive and forward-thinking discussion about the industry's potential for all individuals, regardless of gender. This emphasis on gender equality is a significant step towards breaking down barriers and stereotypes that may have existed in the field.

The webinar succeeded in not only illuminating various career avenues within hospitality but also in promoting a more inclusive and diverse workforce. The Department of BTTM is to be commended for its commitment to fostering equality and providing valuable insights to its students.

**DEBATE COMPETITION ON GENDER EQUITY – INTERNATIONAL YOUTH
SKILL DAY -PG DEPARTMENT OF GENERAL BIOTECHNOLOGY**

DATE: 15/07/2021

PROGRAMME REPORT

On the occasion of International Youth Skill Day, a spirited debate competition was held on July 15, 2021, to discuss the future of gender equity and the advancements women have made in modern society.

The debate took place in a well-organized auditorium at [Venue]. The event was attended by a diverse audience, including students, educators, professionals, and community members interested in the subject of gender equity. The participants were selected through a rigorous screening process, ensuring a fair representation of different perspectives.

The topic for the debate was "The Future of Gender Equity: Women's Advancements in Modern Society."

They presented compelling arguments, exploring topics such as equal opportunities in education and employment, gender stereotypes, leadership roles, and societal norms.

Participants who argued in favor of women having more advances in modern society emphasized the progress made in recent decades. They highlighted women's increased representation in various fields, including politics, science, technology, engineering, and mathematics (STEM), business, and sports. They also discussed the positive impact of gender diversity on innovation and economic growth, emphasizing the importance of empowering women in all spheres of life.

CHARITY FUND COLLECTION – COLLEGE STUDENTS UNION

DATE: 07/07/2021

PROGRAMME REPORT

On July 7, 2021, the College Union organized a charitable event in various town areas with the noble objective of collecting funds to support Imran Muhammad, a young individual battling Spinal Muscular Atrophy (SMA). This initiative aimed to alleviate the financial burden on Imran's family and provide assistance for his medical treatment and care. The charity fund collection event was organized in several strategic locations within town areas, ensuring maximum visibility and participation. College Union members, along with volunteers, actively engaged with the local community to raise awareness about Imran's condition and solicit donations. Imran Muhammad is a young boy diagnosed with SMA, a rare genetic disorder that affects the muscles' strength and movement. His medical expenses for treatments and specialized care were substantial, prompting the College Union to step in and support his family during this challenging time. The event received an overwhelming response from the generous residents of the town areas. The College Union extended heartfelt thanks to the residents of the town areas for their remarkable generosity and willingness to make a difference in Imran Muhammad's life. Their contributions will significantly aid Imran's ongoing medical treatment and provide him with the necessary care and support. The charity fund collection event conducted by the College Union on July 7, 2021, exemplified the spirit of compassion and community support. It highlighted the power of collective efforts in assisting those in need, such as Imran Muhammad, who is battling SMA. The funds collected will play a crucial role in improving Imran's quality of life and offering hope to his family during this challenging journey. The College Union remains committed to promoting such philanthropic initiatives in the future to make a positive impact on society.
