DATE: 14/05/2023

## PROGRAMME REPORT

The Department of Mathematics, in association with the Internal Quality Assurance Cell (IQAC), Women Development Cell (WDC) and Women Protection Office, Women And Child Development Department, Malappuram, organized a webinar on "Women And Technology" on 14<sup>th</sup> May 2023 at 10:00am on behalf of Girls ICT Day. The event aimed to shed light on the current state of women in the tech industry, including their representation in technology jobs and the lack of diversity in tech leadership roles. The webinar received an enthusiastic response, with a total of 30 participants in attendance. The session commenced with Jayasree K G, WDC Coordinator and Head of the Department of Mathematics, extending a warm welcome to all the participants. The keynote speaker for the webinar was Zilzila Kaladi resource person of 'Kanavu', the Women and Child Development Department, Calicut. Zilzila Kaladi shared valuable insights on the challenges faced by women in the tech industry and discussed the current percentage of women in technology jobs. The speaker emphasized the importance of promoting diversity and equality in tech-related fields. At 11:30am, the webinar concluded with Abdul Basheer U, Assistant Professor in the Department of Mathematics, delivering words of appreciation to the speaker and expressing gratitude to all the participants for their active engagement.

## ARSHADU ACHU EID RELIEF KIT DISTRIBUTION- COLLEGE STUDENTS UNION

DATE: 19/04/2023

### PROGRAMME REPORT

On the auspicious occasion of Eid, the ARSHADU ACHU Relief Foundation organized a heartwarming relief kit distribution event on, 19 APRIL 2023 in the Panangagara locality. The event aimed to provide food kits to underprivileged families in the community and was inaugurated by the esteemed College Chairman and MLA, Manjalamkuzhi Ali. The event commenced with the inauguration ceremony led by College Chairman and MLA, Manjalamkuzhi Ali. Their presence added a sense of importance and credibility to the relief efforts. The ARSHADU ACHU Relief Foundation distributed Eid Relief Kits to numerous deserving families in the Panangagara society. These kits contained essential food items to help these families celebrate Eid with dignity and joy. The event fostered a sense of unity and community spirit as volunteers and organizers came together to serve the needy. The volunteers' enthusiasm and dedication were truly commendable. The relief kit distribution brought smiles to the faces of the recipients, as they received much-needed assistance during these challenging times. It demonstrated the power of compassion and solidarity within the community. The ARSHADU ACHU Eid Relief Kit distribution event on May 8, 2021, in Panangagara, was a heartwarming gesture of kindness and empathy. College Chairman and MLA, Manjalamkuzhi Ali's presence added prestige to the occasion, while the volunteers' hard work made this event a success. The relief kits provided essential support to underprivileged families during Eid, spreading hope and positivity in the community. Such initiatives remind us of the importance of coming together to help those in need, especially during challenging times.

# TALK ON WOMEN EMPOWERMENT – INTERNATIONAL WOMEN'S DAY –WOMEN DEVELOPMENT CELL

DATE: 04/03/2023

## PROGRAMME REPORT

In honour of International Women's Day, celebrated annually on March 8<sup>th</sup>, the Women Development Cell at GEMS Arts and Science College organized a talk on women empowerment under the theme, "Empower Women; Empower State." The event was a part of the SHE CAMP initiative, which aims to empower and inspire young women to become leaders and change-makers in society. The talk on women empowerment took place on March 4, 2023, at the college Rooftop Auditorium. It was attended by 45 students.

The event commenced with a warm welcome from Mrs. Jayasree K G, Coordinator, the Women Development Cell. An introduction to the significance of International Women's Day and the purpose of the talk was provided. The featured speaker for the event was Mr. Shabeerali, a UNICEF trainer. The speaker delivered a powerful and inspirational keynote address that highlighted the pivotal role of women in the progress and development of society. The importance of empowering women not only for their own benefit but for the overall advancement of the state and nation was a central theme. The talk on women empowerment, themed "Empower Women; Empower State," left a profound impact on the attendees. Participants left the event with a deeper understanding of the pivotal role women play in societal development and the importance of empowering them in various aspects of life. The event also encouraged meaningful conversations about gender equality and women's rights.

**DATE: 08/03/2023**

**PROGRAMME REPORT**

The Department of Computer Application at GEMS Arts and Science College Ramapuram, organized a significant interactive session on gender equality on March 8, 2023. The session was led by Mrs. Seethal P, NSS Coordinator, and Head of the Department of Malayalam. This initiative aimed to commemorate International Women's Day and promote awareness and dialogue on gender equality within the academic community. Mrs. Seethal P, with her expertise in Malayalam, and the additional perspective from her role as NSS Coordinator, provided a holistic understanding of the issues surrounding gender equality. The HOD's involvement added administrative insight, emphasizing the department's commitment to fostering an inclusive and equitable academic environment. The session explored various dimensions of gender equality, including historical context, societal impacts, and the importance of community engagement. Participants, comprising students, faculty, and staff, actively engaged in discussions and interactive activities, contributing to a vibrant exchange of ideas.

The BCA Department expresses appreciation to Mrs. Seethal P and the HOD for their collaborative efforts in orchestrating a successful and enlightening session. This event reflects the department's dedication to nurturing a diverse and gender-sensitive academic culture at GEMS Arts and Science College. The department looks forward to building on this momentum through continued initiatives that promote inclusivity and awareness.

## **DISCUSSION-WOMEN IN MEDIA - DEPARTMENT OF MULTIMEDIA**

**DATE: 08/03/2023**

### **PROGRAMME REPORT**

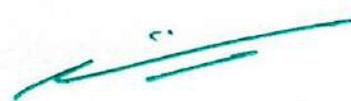

The Department of Multimedia, in collaboration with the Internal Quality Assurance Cell (IQAC) at GEMS College, organized a significant discussion on the theme of "Women in Media." This event took place in celebration of International Women's Day on March 8, 2023, at 1:30 pm within the open auditorium of GEMS College.

The event drew notable attention, with 26 students from the Multimedia department participating actively. The discussion aimed to shed light on the role of women in the media industry, both as professionals and as subjects of media representation. It provided a platform for insightful conversations, encouraging the exchange of ideas and perspectives on this pertinent topic.

Various aspects of women's involvement in media, from their contributions to the challenges they face, were explored. Distinguished guest speakers, scholars, and practitioners from the field of media shared their experiences, research findings, and valuable insights. The event served as an opportunity to address issues related to gender equality and diversity within the media industry.

The "Women in Media" discussion held at GEMS College on International Women's Day was a remarkable and enlightening gathering, emphasizing the importance of gender inclusivity in the media sector and empowering students to actively engage with these critical topics. It was a significant contribution to the broader dialogue on gender equality and women's empowerment in the media world.

# TALK ON WOMEN EMPOWERMENT – INTERNATIONAL WOMEN'S DAY –WOMEN DEVELOPMENT CELL

DATE: 04/03/2023

## PROGRAMME REPORT

In honour of International Women's Day, celebrated annually on March 8<sup>th</sup>, the Women Development Cell at GEMS Arts and Science College organized a talk on women empowerment under the theme, "Empower Women; Empower State." The event was a part of the SHE CAMP initiative, which aims to empower and inspire young women to become leaders and change-makers in society. The talk on women empowerment took place on March 4, 2023, at the college Rooftop Auditorium. It was attended by 45 students.

The event commenced with a warm welcome from Mrs. Jayasree K G, Coordinator, the Women Development Cell. An introduction to the significance of International Women's Day and the purpose of the talk was provided. The featured speaker for the event was Mr. Shabeerali, a UNICEF trainer. The speaker delivered a powerful and inspirational keynote address that highlighted the pivotal role of women in the progress and development of society. The importance of empowering women not only for their own benefit but for the overall advancement of the state and nation was a central theme. The talk on women empowerment, themed "Empower Women; Empower State," left a profound impact on the attendees. Participants left the event with a deeper understanding of the pivotal role women play in societal development and the importance of empowering them in various aspects of life. The event also encouraged meaningful conversations about gender equality and women's rights.

**AKEELAH AND THE BEE - CELEBRATION OF INTERNATIONAL WOMEN'S DAY -  
WOMEN DEVELOPMENT CELL**

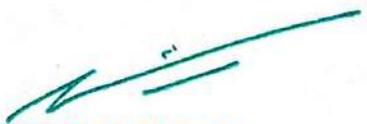

**DATE: 03/03/2023**

**PROGRAMME REPORT**

On celebration of International Women's Day on March 8<sup>th</sup>, the Women Development Cell at GEMS Arts and Science College organized a special film screening event as part of the SHE CAMP initiative. The event aimed to promote women's empowerment and encourage meaningful dialogue about the importance of education and resilience among young women. The chosen film, "Akeelah and the Bee," served as a source of inspiration and motivation for the attendees. The film screening event took place on March 3, 5pm, 2023, at the college Theatre. It was attended by students, faculty members, and staff, as well as members of the management interested in promoting women's empowerment and education. The event began with a warm welcome by Mrs. Jayasree K G, Coordinator, Women Development Cell. An introduction to the significance of International Women's Day and the purpose of the film screening was provided. The guest speaker, Manjalamkuzhi Ali MLA, the chairman of the college, delivered a keynote address. The speaker provided valuable insights and practical advice on how to overcome challenges and excel academically.

"Akeelah and the Bee" is a heart warming and inspirational story that revolves around Akeelah Anderson, a young African-American girl with a remarkable talent for spelling. Despite her challenging circumstances, Akeelah sets her sights on competing in the National Spelling Bee, a highly competitive and academically rigorous event. The film follows her journey as she overcomes obstacles, forms mentorship relationships, and discovers her own potential. After the screening, a facilitated discussion took place. Students shared their thoughts, insights, and personal reflections on the film's themes, particularly focusing on the importance of education, determination, and women's empowerment.

**IS GENDER EQUALITY SCIENTIFIC?- INTERNATIONAL WOMEN'S DAY –WOMEN  
DEVELOPMENT CELL**

**DATE: 23/02/2023**

**PROGRAMME REPORT**

In the spirit of International Women's Day, the Women Development Cell of GEMS Arts and Science College in association with IQAC organized a thought-provoking debate competition titled "Is Gender Equality Scientific?" The competition aimed to foster critical thinking and engage students in discussions around the scientific aspects of gender equality. The event comprised departmental rounds on February 23, 2023, and a final round on February 24, 2023.

**Departmental Rounds (February 23, 2023)**

The event kicked off with a welcome address, explaining the rules and format of the competition. Students were briefed on the evaluation criteria, emphasizing the need for well-researched and evidence-based arguments. 10 departments participated in this competition. Judges provided feedback to the participants, offering valuable insights to help them improve their arguments. The top performers were selected to proceed to the final round.

**Final Round (February 24, 2023)**

The final round began with an opening ceremony, welcoming participants and faculty members. The event's importance and relevance to International Women's Day were emphasized.

After the debates, judges deliberated to determine the winners. The evaluation process focused on the depth of research, clarity of expression, and the ability to construct compelling arguments. The Department of Sociology and Social work got the first prize. Hadiya Harim from the Department of Sociology and Social work got the best debater prize.

The debate competition on "Is Gender Equality Scientific?" sparked meaningful discussions and encouraged students to explore the topic critically. It highlighted the importance of applying scientific principles to address issues related to gender equality. The competition provided a platform for students to enhance their research, analytical, and presentation skills.

**DATE: 22/11/2022**

**PROGRAMME REPORT**

The Haseeb Family Fund Collection Program, organized by GEMS College Union on November 22, 2022, was a heartfelt initiative aimed at providing support to the underprivileged family of Haseeb, a former student of Nasra Colleges of Arts and Science, Thiroorkad. This program was driven by a strong sense of community and compassion. So the program can be treated as a Community Welfare program. It successfully collected a generous sum of Rs-41891-, a testament to the empathy and generosity of the college community. The collected funds were directly transferred to Haseeb's family, undoubtedly alleviating some of their financial burdens during a difficult time. The initiative reflects the core values of GEMS College Union, emphasizing the importance of coming together to assist those in need. It is a shining example of how educational institutions can extend their impact beyond the classroom, making a positive difference in the lives of their students and their broader community

# A TALK ON WOMEN IN INDIAN CINEMA - PG DEPARTMENT OF ENGLISH LANGUAGE AND LITERATURE

DATE: 12/08/2022

## PROGRAMME REPORT

PG Department of English Language and Literature conducted a Talk on women in Indian Cinema on at seminar hall. The talk was delivered by Dr Geetha Krishnankutty, former Assistant Professor of PG Department of English Language and Literature. She highlighted that in the early days of Indian cinema, women were often portrayed as traditional, obedient, and largely passive characters. However, over the decades, the portrayal of women has undergone significant changes, reflecting societal shifts and feminist movements. The talk showcased the contributions of iconic actresses like Nargis, Madhubala, and Meena Kumari, who not only shaped the cinematic landscape but also challenged traditional gender roles through their on-screen personas. During the talk, the audience actively engaged with the speaker through questions and discussions. Many shared their perspectives on their favorite female characters and how these characters had influenced their own lives. The vote of thanks was delivered by Mr. Anand C Assistant Professor of PG Department of English Language and Literature.

**DATE: 12/08/2022**

### **PROGRAMME REPORT**

The Blood Donation Camp, held on August 12, 2022, at GEMS College, was a commendable initiative organized by the NSS in collaboration with Perinthalmanna Blood Bank. The event witnessed an overwhelming response from both faculty members and students alike, showcasing their altruistic spirit and commitment to community welfare. The camp was meticulously set up, adhering to all safety protocols and ensuring a smooth donation process. Trained medical staff from the Perinthalmanna Blood Bank efficiently managed the proceedings, putting donors at ease. The enthusiastic participation of the college community not only demonstrated their willingness to contribute to a noble cause but also highlighted the importance of regular blood donation in sustaining the local healthcare system. The event served as a poignant reminder of the critical need for blood donations and the potential to save lives through such initiatives. It also reinforced the social responsibility within the GEMS College community, setting a positive example for future endeavours in humanitarian service.

# MEHANDI FEST- COLLEGE STUDENTS UNION

DATE: 30/06/2022

## PROGRAMME REPORT

The MENDHIKA, Mehendi Fest held on June 30, 2022, at the college auditorium was a vibrant and successful event. The fest showcased the talent and creativity of girl students in the art of mehendi application. Notably, Raniya Sulthana from S2 Sociology also displayed outstanding skills during the fest. The event brought together students from various disciplines and provided a platform for them to exhibit their artistic abilities. Congratulations to all the winners and participants for making the MENDHIKA, Mehendi Fest a memorable occasion. This unique fest provided a platform for participants to showcase their creative talents and celebrate the rich tradition of mehendi design. The involvement of alumni girl students added to the fest's prestige and encouraged current students to excel in mehendi art.

It showcased the talents of participants, encouraged cultural exchange, and left a lasting impact on all those who participated. This fest will be remembered as a shining example of how technology can unite people in the pursuit of art and culture.
