DELICACY FOOD FEST- PG DEPARTMENT OF MICROBIOLOGY

DATE: 13.03.2019

PROGRAMME REPORT

On 13th March 2019, the PG Department of Microbiology has organized a food fest named "Delicacy." The event aimed to showcase diverse culinary delights and promote cultural exchange among participants. It brought together students, faculty, and staff members, as well as food enthusiasts from outside the department.

The food fest featured a wide array of dishes representing various cuisines from around the world. Participants prepared and presented their signature dishes, ranging from traditional local delicacies to international favourites. The event provided a platform for individuals to showcase their culinary skills, creativity, and cultural heritage.

The fest was not just about tasting delicious food but also about learning and exploring different food cultures. Participants engaged in conversations with each other, sharing knowledge and experiences related to food preparation and cultural traditions. This fostered a sense of unity and appreciation for diversity. Additionally, the event included interactive sessions and workshops on food safety, hygiene, and nutrition. Experts from the field of microbiology delivered talks on foodborne diseases, and temper. They the importance of proper handling and preparation techniques. "The delicacy" food fest was a resounding success, offering a delightful gastronomic experience to all attendees. It provided a platform for culinary enthusiasts to exhibit their talents, learn from one another, and celebrate the rich tapestry of global food culture. The event not only satisfied taste buds but also contributed to the promotion of food safety awareness and cultural exchange within the PG Department of Microbiology.

CHRISTMAS CELEBRATION 2K18 – COLLEGE STUDENTS UNION

DATE: 21.12.2018

PROGRAMME REPORT

The "Christmas Celebration 2K18" at the GEMS college premises on December 21, 2018, was a heartwarming event that radiated the festive spirit. The campus was beautifully adorned with colourful decorations and twinkling lights, creating a magical atmosphere. The celebration featured joyful carol singing, a nativity scene, and heartening speeches that highlighted the significance of the holiday season. Students and faculty exchanged gifts, fostering a sense of unity and camaraderie. The event culminated with a sumptuous Christmas feast that brought everyone together in the spirit of sharing and goodwill. It was a memorable occasion that captured the essence of Christmas, spreading joy and warmth throughout the college community.

10 RUPEE CHALLENGE PROGRAMME: CHARITY FUND COLLECTION- COLLEGE STUDENTS UNION

DATE: 21.12.2018

PROGRAMME REPORT

The "10 Rupees Challenge" program, conducted by the College Union for the academic year 2018-19, was an impactful initiative that took place at Gems Arts and Science College in Ramapuram on the 21st of December 2018. The program was inaugurated by the respected Vice Principal, Prem Daniel Sir, and culminated with a significant donation to the Vice Principal. The "10 Rupees Challenge" was a commendable initiative that aimed to unite the college community in a collective effort to support a noble cause. Each student, faculty member, and staff contributed just 10 rupees, demonstrating that even modest contributions could have a meaningful impact. The inauguration of the program was a significant moment, with Vice Principal Prem Daniel Sir setting the tone with an inspiring address. His words emphasized the importance of collective action in making a positive change in society.

The college community embraced the "10 Rupees Challenge" with enthusiasm, recognizing the power of unity in addressing social issues. The contributions collected were dedicated to a charitable cause, and the funds were handed over to Vice Principal Prem Daniel Sir as a symbol of the college's commitment to social responsibility. This program showcased the college's dedication to making a tangible difference in society and fostering a sense of empathy and social awareness among its students and staff. It demonstrated the potential for small individual contributions to create substantial collective impact. The "10 Rupees Challenge" was a testament to the college's ethos of social responsibility, philanthropy, and compassion. The event encouraged the college community to come together to address pressing social issues, making a positive contribution to society under the leadership of Vice Principal Prem Daniel Sir.

CULTURAL TRIP TO PUNNAYURKKULAM- PG DEPARTMENT OF ENGLISH LANGUAGE AND LITERATURE

DATE: 12.11.2018

PROGRAMME REPORT

The cultural trip to Punnayurkkulam was organized on November 12, 2018, to explore the cultural heritage of the renowned writer and poet, Madhavikutty, also known as Kamala Suraiyya. The students from S5 BA and S3 MA English along with the teaching faculties of The PG department of English set out on the trip.

Punnayurkkulam holds significance as it was the birthplace of this literary legend, and the visit aimed to provide students with insights into her life works, and the monument dedicated to her. They visited Madhavikutty's ancestral home, where the students and faculty could see the place where this literary luminary spent her formative years. The house has been preserved as a monument, and we had the privilege of exploring the rooms and artefacts associated with her life.

A significant highlight of the trip was the visit to the monument dedicated to Madhavikutty. The monument showcased her contributions to literature and art, providing a comprehensive overview of her life and work.

We organized a group discussion among the students and faculty, allowing them to reflect on Madhavikutty's poetry, prose, and her impact on Indian literature. This discussion encouraged a deeper appreciation of her contributions.

This trip not only deepened our students' appreciation for Madhavikutty's literary genius but also instilled a sense of pride in her contribution to the world of literature. It was a memorable journey that will leave a lasting impact on all those who participated.

KERALA PIRAVI CELEBRATION- COLLEGE STUDENTS UNION

DATE: 1.11.2018

PROGRAMME REPORT

The Kerala Piravi Day celebration organized by the College Union for the academic year 2018-19 marked a memorable event that took place at Gems Arts and Science College in Ramapuram on the 1st of November 2018. The event was hosted on the college grounds and featured a captivating Kalaripayattu martial arts demonstration. Kerala Piravi Day, which celebrates the birth of the Indian state of Kerala, is an occasion of great cultural significance in the region. To honor this occasion, the college union organized a unique event that showcased the rich cultural heritage of Kerala through the ancient martial art form, Kalaripayattu.

The event commenced with an opening ceremony that included traditional lamp lighting and an address by the college union representatives. The stage was set for the Kalaripayattu demonstration, which is one of the oldest known martial arts in the world and has deep roots in Kerala's history. A team of skilled Kalaripayattu practitioners took centre stage, showcasing their prowess with a series of mesmerizing movements, high kicks, weaponry displays, and self-defence techniques. The audience was treated to a thrilling display of agility, strength, and precision which are the hallmarks of Kalaripayattu. The martial arts demonstration provided a unique cultural experience and an opportunity for the college community to learn about and appreciate Kerala's traditional art forms. The event aimed to instil a sense of pride and cultural awareness among students and staff while paying homage to the state's rich heritage.

The Kerala Piravi Day celebration, featuring Kalaripayattu, demonstrated the college union's commitment to promoting cultural diversity and preserving the traditions of Kerala. It was a successful event that left a lasting impression on attendees and highlighted the importance of preserving and celebrating the cultural heritage of the state.

INDUSTRIAL VISIT TO VAGAMON- DEPARTMENT OF MATHEMATICS

DATE: 24.11.2018&25.11.2018

PROGRAMME REPORT

The Department of Mathematics recently organized an industrial visit to Vagamon for the 2017-20 batch of mathematics students. The visit took place over two days, from November 24th to November 25th, 2018. The purpose of the visit was to provide the students with practical exposure to the applications of mathematics in real-world settings.

A total of 24 participants, including 2 female faculty members (JAYASREE KG & SULABHA DAS P) and 1 male faculty member (ABDUL BASHEER.U), joined the visit. The group embarked on an enriching journey to explore the practical applications of mathematics in various industries and domains. The trip aimed to enhance the student's understanding of how mathematical concepts and theories are implemented in real-life scenarios.

The Department of Mathematics is committed to organizing such educational trips and experiences to provide its students with well-rounded learning opportunities. The industrial visit to Vagamon was a success, thanks to the active participation of the students, the guidance of the faculty members, and the support of the department.

10 RUPEE CHALLENGE PROGRAMME: CHARITY FUND COLLECTION - COLLEGE STUDENTS UNION

DATE: 30.10.2018

PROGRAMME REPORT

The "10 Rupees Challenge" program, organized by the College Union for the academic year 2018-19, was a noteworthy event that took place at Gems Arts and Science College in Ramapuram on the 30th of October 2018. The respected Vice Principal, Prem Daniel Sir, inaugurated the program. The core objective of this initiative was to unite the college community in a collective effort to make a significant difference in the life of a child in need. The concept was simple yet powerful - each student, faculty member, and staff member would contribute just 10 rupees, and the pooled funds would be utilized for the treatment and well-being of a child.

The inauguration of the program, graced by Vice Principal Prem Daniel Sir, set the program in motion with an inspiring address. His words emphasised the importance of social responsibility and community service, underscoring the impact that collective efforts could have on individual lives. The "10 Rupees Challenge" program witnessed enthusiastic participation from the college community. The funds collected were dedicated to the medical treatment and care of a child who required assistance. This noble cause served as a poignant reminder of the real-world impact that even a small contribution can make in transforming lives. The program exemplified the college's commitment to fostering social awareness, empathy, and community engagement among its students and staff. It was a testament to the power of collective action and the potential to effect positive change in society. The program's success was a testament to the dedication of the college community to making a tangible difference in the lives of those in need. The "10 Rupees Challenge" program not only provided financial support but also served as an embodiment of the college's ethos of social responsibility and compassion.

MEHANDI CONTEST-COLLEGE STUDENTS UNION

DATE: 17.07.2018

PROGRAMME REPORT

On June 17, 2018, an exciting and creative Mehendi (Henna) Contest was held online to celebrate the joyous occasion of Eid. This unique event brought together participants from all over the world to showcase their artistic talents and celebrate the spirit of Eid through intricate henna designs. The online Mehendi Contest was organized to encourage individuals to express their creativity and share in the festive spirit of Eid, even from the comfort of their homes. Participants were invited to submit their entries, and the event took place entirely through various social media platforms and dedicated contest websites.

The theme of the contest was centred on Eid celebrations, with participants encouraged to incorporate traditional Eid symbols and motifs into their henna designs. Participation: The event garnered a remarkable response, with participants of all ages and backgrounds joining in to showcase their henna artistry. Entries poured in from different parts of the world, reflecting the global nature of Eid celebrations.

Judging Panel: A panel of experienced henna artists and Eid enthusiasts was assembled to judge the entries. They evaluated the designs based on creativity, precision, and adherence to the theme. Portions of the event, including the judging process and winner announcements, were live-streamed to engage the audience and build excitement.

Winners and Prizes: Winners were selected in various categories, including "Best Traditional Design," "Most Creative," and "Eid Spirit Award." Prizes, such as henna kits, gift vouchers, and recognition certificates, were awarded to the deserving participants. The event generated a significant buzz on social media platforms, with participants and viewers sharing their favourite designs and congratulating the winners using event-specific hashtags. The online Mehendi Contest held on June 17, 2018, successfully celebrated Eid through the medium of art, uniting people from diverse backgrounds in a creative and festive spirit. It provided an opportunity for participants to express their artistic talents, showcase their love for Eid, and connect with a global community. The event's success was a testament to the power of online platforms in bringing people together for celebrations and creative endeavours
