CHARITY FUND COLLECTION PROGRAMME- COLLEGE STUDENTS UNION

DATE: 02.05.2022

PROGRAMME REPORT

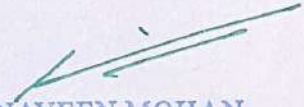

On Eid Day, May 2, 2022, Gems College organised a fund-collection programme with a noble cause: supporting dialysis patients. The event incorporated a unique initiative called the "Google Pay 20 Rupees Challenge." The primary goal of the programme was to raise funds to aid dialysis patients who face financial challenges in managing their treatment expenses.

The event took place on Eid Day at Gems College, providing a platform for the community to contribute to a meaningful cause. A creative and inclusive initiative, encouraging individuals to contribute a minimum of 20 rupees via Google Pay, demonstrates that small contributions collectively make a significant impact. The programme witnessed active participation from students, faculty, and the community at large. The spirit of Eid was truly reflected in the collective effort to support those in need. The Fund

Collection Programme successfully gathered substantial contributions, showcasing the community's compassion and solidarity towards the well-being of dialysis patients.

This initiative not only raised funds but also fostered a sense of unity and social responsibility among the participants. The collective effort demonstrated the power of small acts of kindness to make a meaningful difference in the lives of those facing health challenges.

ARSHADU ACHU EID RELIEF KIT DISTRIBUTION-UNIONCOLLEGE STUDENTS

DATE: 29.04.2022

PROGRAMME REPORT

On the auspicious occasion of Eid, the Arshadu Achu Relief Foundation organised a heartwarming relief kit distribution event on April 29, 2022, in the Panangagara locality. The event aimed to provide food kits to underprivileged families in the community and was inaugurated by the panakkadsayyidabbasalishihabthangal. The event commenced with the inauguration ceremony, led by Panakkad Sayyid Abbasali Shihab Thangal. Their presence added a sense of importance and credibility to the relief efforts.

The Arshadu Achu Relief Foundation distributed Eid relief kits to numerous deserving families in Ramapuram society. These kits contained essential food items to help these families celebrate Eid with dignity and joy. The event fostered a sense of unity and community spirit as volunteers and organisers came together to serve the needy. The volunteers' enthusiasm and dedication were truly commendable. The relief kit distribution brought smiles to the faces of the recipients, as they received much-needed assistance during these challenging times. It demonstrated the power of compassion and solidarity within the community.

The Arshadu Achu eid relief kit distribution event on April 29, 2022, in Ramapuram was a heartwarming gesture of kindness and empathy. The relief kits provided essential support to underprivileged families during Eid, spreading hope and positivity in the community. Such initiatives remind us of the importance of coming together to help those in need, especially during challenging times.

BLOOD DONATION CAMP-GEMS NSS UNIT

DATE:30.03.2022

PROGRAMME REPORT

Blood donation is a noble and life-saving act that can bring a person back from the brink of death. On March 30, 2022, the GEMS NSS unit organised a blood donation camp in collaboration with the Blood Bank of Manjeri Medical College. This event provided an opportunity for students and teachers to contribute to a noble cause by donating blood to save lives.

The Blood Donation Camp was conducted in collaboration with the Blood Bank of Manjeri Medical College, ensuring that all donations met the necessary medical standards. A total of 120 members, including students and teachers, were registered to participate in the blood donation program. This demonstrated a strong commitment to the cause. A remarkable 108 units of blood were collected during the camp, highlighting the success and effectiveness of the event. The event was inaugurated by Dr. Naveen Mohan, the principal of GEMS College, who likely delivered an inspiring message emphasising the importance of blood donation. At the conclusion of the event, each blood donor received a card and certificate as tokens of appreciation. The doctors, medical staff, and NSS programme officer thanked all the students for their valuable contributions. The Blood Donation Camp played a significant role in promoting a noble cause—saving lives through voluntary blood donation. Donating blood is a selfless act that can make a crucial difference in the lives of individuals in need of blood transfusions. Recognising and appreciating the donors with cards and certificates not only serves as a gesture of gratitude but also empowers individuals to continue participating in such life-saving initiatives.

VALENTINE'S DAY OBSERVATION: SNEHAPPUTHAPPU -GEMS NSS UNIT

DATE: 14.02.2022

PROGRAMME REPORT

Valentine's Day, traditionally associated with love and affection, was celebrated in a unique and compassionate manner by the GEMS NSS unit in collaboration with the Charity Club of GEMS College on February 14, 2022. Instead of traditional expressions of love, this observance focused on extending kindness and support to those less fortunate. The event involved the collection and distribution of blankets to individuals who were sleeping in the streets and slums of Malappuram District.

The central activity of the event was the collection of blankets. Students from GEMS College came forward to contribute by donating a total of 50 blankets. This generous act demonstrated the spirit of giving and compassion. The collected blankets were distributed to individuals who were sleeping in the streets and slums. This act of kindness provided much-needed warmth and comfort to those facing challenging living conditions. The programme also aimed to raise awareness among volunteers about the social and economic conditions of individuals, including children, who live on the streets. It offered insights into the hardships faced by these marginalised members of society. Valentine's Day is often associated with expressions of love and affection. In this observance, the GEMS NSS unit and Charity Club shifted the focus to promoting compassion and empathy for those in need. The act of donating blankets was a practical and heartfelt way to show care and support.

HAIR DONATION PROGRAM ON WORLD CANCER DAY- PG DEPARTMENT OF SOCIAL WORK AND SOCIOLOGY

DATE: 04.02.2022

PROGRAMME REPORT

First-year MSW students in the PG department of social work and sociology at GEMS Arts and Science College Ramapuram, in association with IQAC, conducted a cancer awareness art gallery and hair donation programme on World Cancer Day, February 4th, 2022, from 2 p.m. to 3:30 p.m.

First-year MSW students arranged an art gallery, including creating awareness about cancer. The audience was the first-year students of all the departments of the college. Thanzeer, a first-year MSW student, gave an explanation regarding the awareness to be raised about cancer. The audience cleared their doubts regarding the topic after reading the information presented in the charts. The art gallery was followed by the Hair Donation Association with hair beauty saloon Perinthalmanna. 18 students donated their hair for the cancer patients.

REPUBLIC DAY OBSERVATION-GEMS NSS UNIT

DATE: 26.01.2022

PROGRAMME REPORT

The 73rd Republic Day was celebrated on January 26, 2022, with due solemnity and patriotic fervor. However, the celebration was held while adhering to COVID-19 safety rules to ensure the safety and well-being of all participants. The programme took place on the college campus and involved several significant activities.

The celebration began with the hoisting of the national flag. The Vice Principal, Prof. Mohammed Ashraf, had the honour of hosting the flag in front of the college. This traditional act symbolises the pride and unity of the nation. Following the flag hoisting, Prof. Mohammed Ashraf delivered a Republic Day message. This message often includes reflections on the significance of Republic Day, the principles enshrined in the Indian Constitution, and the importance of democracy. Teaching and non-teaching staff actively participated in the Republic Day programme, emphasising the collective responsibility of every member of the institution to celebrate this important national day.

To engage and educate students further, the NSS unit conducted a quiz competition. This competition provided an opportunity for students to test their knowledge of the country's history, governance, and Constitution.

The Republic Day observation is a significant event in India that serves to promote patriotism and instill a sense of pride in the nation's democratic values and heritage. The flag hoisting, message delivery, and quiz competition are all aimed at enhancing students' understanding of India's democratic system and its history.

Given the ongoing COVID-19 pandemic, the Republic Day celebration was held with strict adherence to safety rules. This included measures to maintain physical distance and the use of masks to ensure the well-being of all participants.

CAREPAIN AND PALLIATIVE CARE DAY : FUND COLLECTION FOR PAIN AND PALLIATIVE -GEMS NSS UNIT

DATE: 15.01.2022

PROGRAMME REPORT

Kerala has emerged as a unique model for the delivery of palliative care through a community-based approach. Palliative care services are provided through community-led projects, and one of the remarkable aspects is that these services are offered free of charge. The care is typically provided in a home care model, with more than 1500 palliative units actively working in Kerala. The main source of funding for these units often comes from contributions received from philanthropists. In association with Palliative Care Day, the GEMS NSS unit conducted a fund collection programme on campus to support this noble cause.

Kerala's approach to palliative care is noteworthy. It emphasises community-based care, with services provided at no cost. This has allowed for the establishment of numerous palliative units across the state, making palliative care accessible to those in need. The primary objective of the event was to collect funds to support palliative care initiatives. The GEMS NSS unit organised a fund collection drive on the campus, appealing to students and staff to contribute to this important cause. Through the generous contributions of the campus community, a total of Rs. 14,130 was collected. This significant amount would be invaluable in supporting palliative care services for those in need. The collected funds were officially handed over to the secretary of Puzhakatiri Palliative Care by Dr. Naveen Mohan, the principal of the college. This ensured the transparent and accountable allocation of the funds for palliative care initiatives.

PALLIATIVE CARE DAY- DEPARTMENT OF SOCIOLOGY AND SOCIAL WORK

DATE: 15.01.2022

PROGRAMME REPORT

First-year MSW students in the department of sociology and social work at GEMS College Ramapuram visited Puzhkattiri Pain and Palliative Care Centre as part of the pain and palliative care day on 15th January 2022. Nine social work trainees participated in the program. The social work trainees reached there by 2 o'clock in the afternoon. A wall poster with stick notes was prepared by the social work trainees. Sri Umerali, a representative of the organisation, gave an orientation. Later, with the support of the pain and palliative volunteers, the social work trainees collected an amount of Rs. 18826 from the public. Also, the trainees conducted cultural programmes to catch the attention of the public.

SPARSHAM: SEVEN DAYS RESIDENTIAL CAMP-GEMS NSS UNIT

DATE: 24.12.2021

PROGRAMME REPORT

Sparsham, a seven-day residential camp organized by the GEMS NSS unit, was conducted at Govt. Model UP School Kalikavu from December 24, 2021, to December 30, 2021. The camp revolved around the theme "Youth for Security and Equality of Women." It was inaugurated by Mr. TK Gopi, President of Kalikavu Panchayath, and witnessed the presence of other dignitaries, including Mr. Rahmath, PTA President, and Rama Rajan, Education Standing Committee Chairman.

The Sparsham camp commenced with a series of projects and programmes aimed at enhancing the school's facilities and addressing the theme of security and equality for women. Volunteers actively engaged in maintaining the school, which included gardening and beautification projects. They painted the school walls and tended to the garden and vegetable garden of the school, even during the Christmas vacation.

The success of the Sparsham camp was greatly attributed to the support and involvement of the local community, as well as other authorities. The collaborative effort demonstrated the collective commitment to the camp's goals.

DATE: 23.12.2021

PROGRAMME REPORT

The PG Department of Commerce, in association with IQAC, conducted "National Farmers Day—Kisan Divas Observation" on December 23, 2021, held at the Rooftop Auditorium. This was a heartfelt tribute to the backbone of our nation, our farmers. The event aimed to raise awareness about the vital role farmers play in ensuring food security and economic stability. Students and faculty gathered to honour and appreciate the hard work and dedication of farmers through speeches, presentations, and cultural performances. It served as a reminder of the importance of agriculture and rural livelihoods in our society, reinforcing the college's commitment to promoting agricultural awareness and sustainability.

FINANCIAL ASSISTANCE FOR MEDICAL TREATMENT- FUND COLLECTION- GEMS NSS UNIT

DATE: 21.11.2021

PROGRAMME REPORT

On November 21, 2021, the GEMS NSS Unit conducted a fund collection programme with the aim of providing financial assistance for the medical treatment of two children from KaruvarakunduPanchayath. These children, Isha and Ivana, were suffering from serious illnesses that required substantial funds for their treatment. The programme was initiated to rally support from college students, teaching and non-teaching staff, and the local community to help these children receive the medical care they urgently needed. The fund collection drive was organised on the premises of KaruvarakundGramapanchayath, emphasising the local community's involvement in helping these children in need. The central focus of the event was the collection of funds to support the medical treatment of Isha and Ivana. The GEMS NSS Unit mobilised resources and donations from college students, teaching and non-teaching staff, and the wider community. This initiative was driven by a collective sense of responsibility to provide financial assistance for these children's medical care. Through the dedicated efforts of the NSS Unit and the generosity of contributors, a total of Rs. 30,000 was collected. This substantial amount was a testament to the community's willingness to support Isha and Ivana in their time of need. The collected funds were formally handed over to Mr. Gopalakrishnan, Treasurer of the committee formed for fund collection. The committee would oversee the proper allocation and utilisation of the funds for the medical treatment of the two children. The event demonstrated the power of community solidarity in times of crisis. It underscored the collective responsibility to support those in need, particularly when it came to critical healthcare requirements.

DATE: 17.11.2021

PROGRAMME REPORT

The PG Department of Commerce, in association with IQAC, conducted the "National Cooperative Week Observation: Pencil Drawing Competition" on November 17, 2021, held in Room No. 601, which was a creative tribute to the spirit of cooperation. Students showcased their artistic talents through pencil drawings that depicted the essence of cooperation in various aspects of life. The event not only celebrated the significance of cooperatives but also encouraged students to express their understanding of this cooperative ethos through art. It was a meaningful and visually captivating way to commemorate National Cooperative Week, highlighting the college's commitment to fostering creativity and awareness about cooperative principles among its students.

PROGRAMME REPORT

The PG Department of Commerce, in association with IQAC, conducted the "National Cooperative Week Observation: Speech Competition" on November 16, 2021, in Room No. 601, which was a platform for students to express their views on the significance of cooperatives in our society. Participants delivered insightful speeches, highlighting the role of cooperatives in promoting economic growth, social justice, and community development. The event not only raised awareness about the cooperative movement but also encouraged students to engage in meaningful discussions about economic and social issues. It exemplified the college's commitment to fostering civic responsibility and promoting knowledge about cooperative principles.

CHILDREN'S DAY CELEBRATION - GEMS NSS UNIT

DATE:14.11.2021

PROGRAMME REPORT

Children's Day is celebrated in India on November 14th to honour the birthday of the country's first Prime Minister, Pandit Jawaharlal Nehru. This day is dedicated to raising awareness about children's rights, education, and general well-being. On November 14, 2021, the GEMS NSS unit commemorated Children's Day by organising a celebration for the children in the vicinity of the college. The event included the distribution of colours, crayons, drawing books, and sweets to the children, along with an awareness campaign about COVID-19 precautions. The celebration took place in the surroundings of Puzhakattiri Grama Panchayath, emphasising the importance of reaching out to and celebrating with children in the local community.

The NSS volunteers distributed colours, crayons, and drawing books to the children. These art supplies are not only a source of joy but also encourage creativity and self-expression. Sweets were distributed to add to the festive spirit of the occasion, bringing smiles to the faces of the children. The volunteers also took the opportunity to educate the children about precautions against COVID-19. This awareness is crucial, given the ongoing pandemic, and helps keep the children safe.

The celebration of Children's Day served as a reminder of the importance of children's rights and their well-being. It was an occasion to emphasise their role as the future of the nation and the need to provide them with a nurturing and supportive environment. The distribution of art supplies was a way to encourage creativity and artistic expression among the children. Art can be a powerful means of self-expression and personal development.

KERALA PIRAVI DAY CELEBRATION-GEMS NSS UNIT

DATE: 01.11.2021

PROGRAMME REPORT

Kerala Piravi, celebrated on November 1st, marks the birth of the Indian state of Kerala. It's an occasion for Keralites to celebrate their cultural heritage and the formation of the state. In 2021, the GEMS NSS unit celebrated Kerala Piravi by organising a photo contest for students. The event was conducted online, utilising Instagram as the platform for participation. Given the constraints posed by the ongoing pandemic and the need for social distancing, the celebration took place online through the popular social media platform, Instagram. This allowed for wide and inclusive participation, reaching students across various locations. The central focus of the event was a photo contest. Students were encouraged to submit their best photographs that celebrated the beauty and culture of Kerala. This contest aimed to showcase the essence of Kerala through the lens of its students. The photo contest received a total of 11 entries from enthusiastic students. Each entry reflected the unique perspective and creativity of the participants. Nivedhya Sunil Kumar, a student pursuing a B.Com. in Finance, emerged as the first prize winner. Her photograph captured the spirit and essence of Kerala, showcasing its rich cultural heritage and natural beauty.

The photo contest was not just a competition but also a platform to promote and celebrate the culture, traditions, and natural beauty of Kerala. Through the lens of the students, Kerala's unique identity was vividly depicted.

KARUTHAL LUNCH BOX: FOOD DAY OBSERVATION-GEMS NSS UNIT

DATE: 16.10.2021

PROGRAMME REPORT

World Food Day, celebrated annually on October 16th, is a global event to raise awareness about food security and promote efforts to combat hunger and malnutrition. In 2021, the GEMS NSS unit marked this important day with a programme called 'Karuthal Lunch Box.' The programme aimed to not only raise awareness about food-related issues but also to take practical action to address hunger in the community. The programme was organised across various streets in the Malappuram district, emphasising the importance of addressing food security at the grassroots level. The central theme of the 'Karuthal Lunch Box' programme was a "Rs. 30 challenge." NSS volunteers encouraged individuals to contribute a modest sum of Rs. 30 each. The challenge aimed to demonstrate that a small individual contribution could collectively make a significant impact. The NSS unit effectively collected Rs. 14,040 from participants.

With the collected funds, the NSS unit purchased food and prepared 468 lunch packets. These nutritious lunch packets were then distributed to various streets in the Malappuram district, reaching out to those in need. The 'Karuthal Lunch Box' programme served as an opportunity to promote food security and combat hunger at the local level. The act of distributing nutritious meals to the community emphasised the importance of collective action in ensuring that everyone has access to sufficient, safe, and nutritious food. The programme encouraged community involvement and highlighted the impact of even small contributions when combined. It underscored the significance of collective efforts to address global issues like hunger and food security.

VACCINEDUTHONAM: VIRTUAL ONAM CELEBRATION-PG DEPARTMENT OF MICROBIOLOGY

DATE: 10.09.2021

PROGRAMME REPORT

The "Vaccineduthonam-Virtual Onam Celebration" by the Department of Microbiology of GEMS Arts and Science College, Ramapuram, on September 10, 2021, ingeniously adapted Kerala's traditional Onam festivities to the digital realm. Conducted via Google Meet, it celebrated the spirit of Onam while emphasising the importance of vaccination during the ongoing pandemic. The event featured virtual Pookkalam competitions, cultural performances, and insightful discussions on vaccination. This unique blend of tradition and contemporary relevance demonstrated the college's commitment to both cultural heritage and public health awareness. It was a memorable and innovative way to celebrate Onam while promoting a crucial health message.

INDEPENDENCE DAY OBSERVATION: WEBINAR ON "SWATHANDRYAVUM SURAKSHAYUM"- PG DEPARTMENT OF COMMERCE

DATE: 15.08.2021

PROGRAMME REPORT

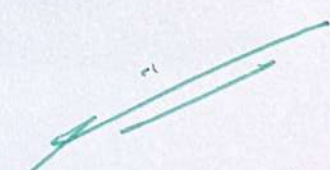

The PG Department of Commerce, GEMS Arts and Science College, in association with IQAC, organised an online live webinar on the topic "SwathanthravumSurakshayum" on August 15, 2021, Sunday from 10.am to 11.am. Apart from a good number of students, the programme was attended by senior faculty members Jabhar sir, Ashraf sir, HOD Sivakumar sir, and all other faculty members of the PG Department of Commerce. Distinguished guest and speaker of the day, Mrs. K. Valsala, SR. civil police officer, women self-defence master trainer, district police headquarters, Malappuram

The programme formally began with the welcome address delivered by Mr. Shaheen, VP, Assistant Professor, PG Department of commerce. He stressed the need to reflect on the ways India fought for freedom and to honour and remember the sacrifices of the freedom fighters.

Distinguished guest Mrs. Valsala referred to India's struggle as a mass struggle, and she opined that we need to reflect on what India has achieved since independence and how it can be maintained and taken forward to new heights to include all in its fold. She summarised the various movements that occurred between 1857 and 1947 and mentioned the three main mass movements, which were participated in by youths and women, resulting in huge changes in patriarchal society. He also mentioned that the freedom struggle was a coordinated and collective movement in which many sections participated and contributed.

The event was concluded with the vote of thanks given by Ms. Soumya, Assistant Professor. The technical side of the programme was handled by Mr. Niyaf, Assistant professor. Overall, the webinar got a good response

CHARITY FUND COLLECTION -COLLEGE STUDENTS UNION

DATE: 07.07.2021

PROGRAMME REPORT

On July 7, 2021, the College Union organised a charitable event in various town areas with the noble objective of collecting funds to support Imran Muhammad, a young individual battling Spinal Muscular Atrophy (SMA). This initiative aimed to alleviate the financial burden on Imran's family and provide assistance for his medical treatment and care. The charity fund collection event was organised in several strategic locations within town areas, ensuring maximum visibility and participation. College Union members, along with volunteers, actively engaged with the local community to raise awareness about Imran's condition and solicit donations.

Imran Muhammad is a young boy diagnosed with SMA, a rare genetic disorder that affects the muscles' strength and movement. His medical expenses for treatments and specialised care were substantial, prompting the College Union to step in and support his family during this challenging time. The event received an overwhelming response from the generous residents of the town areas. The College Union extended heartfelt thanks to the residents of the town areas for their remarkable generosity and willingness to make a difference in Imran Muhammad's life. Their contributions will significantly aid Imran's ongoing medical treatment and provide him with the necessary care and support. The charity fund collection event conducted by the College Union on July 7, 2021, exemplified the spirit of compassion and community support. It highlighted the power of collective efforts to assist those in need, such as Imran Muhammad, who is battling SMA. The funds collected will play a crucial role in improving Imran's quality of life and offering hope to his family during this challenging journey. The College Union remains committed to promoting such philanthropic initiatives in the future to make a positive impact on society.

**READING DAY-BOOK REVIEW COMPETITION : DESTA LA FANTASIA- PG
DEPARTMENT OF ENGLISH**

DATE:19.06.2021

PROGRAMME REPORT

The "Desta La Fantasia" Reading Day Competition, organised by the PG Department of English at Gems Arts and Science College, took place on June 19th, 2021, from 1:00 PM to 3:00 PM in room no. 404. The event aimed to promote a culture of reading and critical analysis among students and provide a platform for them to showcase their literary skills. Alongside the reading competition, a book review competition was also conducted to encourage insightful discussions about literature.

The reading competition saw enthusiastic participation from students of various academic backgrounds. Each participant had the opportunity to select and read an excerpt from a book of their choice, followed by a brief analysis and interpretation. The topics and genres were diverse, ranging from classic literature to contemporary novels. In addition to the reading competition, a book review competition was organised to encourage students to delve deeper into literary works.

Participants were required to present comprehensive reviews of books they had recently read. This segment of the event provided a platform for participants to showcase their critical thinking and analytical skills. The winners of both the reading and book review competitions were announced at the conclusion of the event. Prizes were awarded to participants who demonstrated exceptional reading skills and provided insightful book reviews. The winners received certificates and recognition for their literary achievements.

DEPARTMENT OF MATHEMATICS**

DATE:19.06.2021

PROGRAMME REPORT

The Department of Mathematics, in association with IQAC, conducted the Monolingual Competition and Quiz Competition that were organised in commemoration of Reading Day on June 19, 2021. These events were conducted entirely online due to the prevailing circumstances. There were 12 participants in the monolingual competition and 8 members in the quiz competition.

The monolingual competition and quiz competition were organised with the aim of promoting the importance of reading and language proficiency among participants. The Monolingual Competition was designed to celebrate the richness of the Malayalam language. Participants were asked to introduce themselves using Malayalam words only. The Quiz Competition was a knowledge-based challenge that tested participants' general knowledge, literary awareness, and reading comprehension skills.

Monolingual competition:

First Prize: Sulabha Das P., HOD, and Asst. Prof. Department of Mathematics

Second Prize: Risha Krishnan M., Second Year B.Sc. Mathematics

Quiz competition:

First Prize: Risha Krishnan M., Second Year B.Sc. Mathematics
