COVID CARE DESK: VACCINATION HELP DESK-COLLEGE STUDENTS UNION

DATE: MAY 2021

PROGRAMME REPORT

In response to the ongoing COVID-19 pandemic, the College Union, for the academic year 2020-2021, initiated a comprehensive COVID Care Desk Program. This programme aimed to provide COVID-19 precautions and vaccination services to both college students and staff, ensuring the health and safety of the college community. The programme involved the dissemination of vital information about COVID-19 precautions. Educational materials and awareness campaigns were carried out to inform students and staff about safety measures, including mask-wearing, social distancing, and hand hygiene. The COVID Care Desk also facilitated the vaccination process for college students and staff. It provided information about vaccine availability, assisted in scheduling vaccination appointments, and supported individuals throughout the vaccination process. The program was formally inaugurated by College Principal Dr. Naveen Mohan. In his address, Dr. Mohan stressed the significance of the initiative in safeguarding the health and well-being of the college community and encouraged all students and staff to actively participate. The COVID Care Desk Programme had several key objectives: to raise awareness about COVID-19 precautions and preventive measures among students and staff. To facilitate and promote vaccination efforts, ensuring a safer college environment. To demonstrate the college's commitment to the health and welfare of its community members. The COVID Care Desk Program, organized by the College Union for the academic year 2020-2021, was a significant and commendable initiative to ensure the safety and well-being of students and staff during the ongoing COVID-19 pandemic. The programme played a pivotal role in providing information and facilitating vaccination, thereby contributing to a safer and healthier college environment.

REPUBLIC DAY OBSERVATION- GEMS NSS UNIT

DATE: 26.01.2021

PROGRAMME REPORT

The 73rd Republic Day was celebrated on January 26, 2021, with due solemnity and patriotic fervor. However, the celebration was held while adhering to COVID-19 safety rules to ensure the safety and well-being of all participants. The program took place within the college campus and involved several significant activities. The celebration began with the hoisting of the national flag. The Vice Principal, Prof. Mohammed Ashraf, had the honor of hosting the flag in front of the college. This traditional act symbolizes the pride and unity of the nation. Following the flag hoisting, Prof. Mohammed Ashraf delivered a Republic Day message. This message often includes reflections on the significance of Republic Day, the principles enshrined in the Indian Constitution, and the importance of democracy. Teaching and non-teaching staff actively participated in the Republic Day program, emphasizing the collective responsibility of every member of the institution to celebrate this important national day. To engage and educate students further, the NSS unit conducted a quiz competition. This competition provided an opportunity for students to test their knowledge of the country's history, governance, and the Constitution. The Republic Day observation is a significant event in India that serves to promote patriotism and instill a sense of pride in the nation's democratic values and heritage. The flag hoisting, message delivery, and quiz competition are all aimed at enhancing students' understanding of India's democratic system and its history. Given the ongoing COVID-19 pandemic, the Republic Day celebration was held with strict adherence to safety rules. This included measures to maintain physical distancing and the use of masks to ensure the well-being of all participants.

ONLINE GENDER AWARENESS PROGRAM ON "HOW TO ELIMINATE GENDER BIAS IN CLASSROOM"-PG DEPARTMENT OF COMMERCE

DATE:09.10.2020

PROGRAMME REPORT

On October 9, 2020, an online gender awareness programme titled "How to Eliminate Gender Bias in the Classroom" was organised for students. The objective of the programme was to raise awareness about gender biases and stereotypes prevalent in educational settings and provide strategies to promote a more inclusive and equitable learning environment. The programme commenced at 10:00 AM and featured Mohammed Niyaf.C, Assistant Professor of Commerce department as the resource person. Through his expertise and experience, he aimed to sensitise the students about the importance of addressing gender biases in classrooms. The session began with an overview of gender bias, highlighting its impact on individuals and society. The resource person discussed various forms of gender bias commonly found in educational settings, including differential treatment, biased expectations, and limited representation of women in textbooks and curriculum. Students were encouraged to critically analyse their own beliefs and behaviours to identify instances of bias. Strategies to promote gender equity in the classroom were explored. This included encouraging equal participation, avoiding gendered language, providing diverse role models, and creating inclusive teaching materials. The importance of fostering respectful and inclusive discussions was also emphasised. The programme highlighted the significance of empowering students to challenge gender stereotypes and advocate for equality. Mr. Niyaf discussed the importance of promoting critical thinking, empathy, and respectful communication skills among students to create an environment conducive to breaking down gender biases. The session included an interactive component, allowing students to ask questions, share their experiences, and engage in discussions. The resource person addressed their queries and provided practical suggestions on how to combat gender bias within their classrooms and beyond. The online gender awareness programme proved to be insightful and thought-provoking for the participants.

COVID CARE DESK-COLLEGE STUDENTS UNION

DATE:02.06.2020

PROGRAMME REPORT

In response to the ongoing COVID-19 pandemic, the College Union for the academic year 2020-2021 launched a COVID Care Desk Programme to support and safeguard the health and well-being of postgraduate exam-writing students. The programme was inaugurated by the college principal, Dr. Naveen Mohan, who emphasised the importance of these initiatives during these challenging times. Mask Distribution: As a part of the programme, masks were distributed to all postgraduate exam-writing students. The distribution aimed to promote safety measures and ensure that students had access to the necessary protective gear. A dedicated help desk was established to provide information, guidance, and assistance related to COVID-19. Trained volunteers were available to address queries, provide information on safety protocols, and offer support to students in need. The program was officially inaugurated by College Principal Dr. Naveen Mohan, who commended the College Union for their proactive efforts in ensuring the safety and well-being of the college community during the pandemic. The COVID Care Desk Programme had several objectives. To promote and reinforce COVID-19 safety measures among students, To provide masks to postgraduate exam-writing students to reduce the risk of virus transmission, to offer a dedicated help desk to address students' concerns and questions related to COVID-19. The COVID Care Desk Programme, including mask distribution and the COVID-19 help desk, organised by the College Union for the academic year 2020-2021, was a commendable effort to support and protect postgraduate exam writing students during the pandemic. The programme not only provided essential protective gear but also served as a valuable resource for students seeking information and assistance related to COVID-19.
