WORLD NO TOBACCO DAY: QUIZ COMPETITION- PG DEPARTMENT OF GENERAL BIOTECHNOLOGY

DATE: 31.05.2023

PROGRAMME REPORT

The PG Department of General Biotechnology at GEMS Arts and Science College, successfully conducted a Quiz Competition on May 31, 2023, using Google Forms. This event aimed to foster intellectual engagement among students and assess their knowledge in the field of biotechnology. Anamika, the dedicated student coordinator, played a pivotal role in organizing and promoting the competition. Her meticulous planning ensured the event's smooth execution, from setting up the Google Form to coordinating with participants and faculty members. Silva Shihab, the faculty coordinator, provided valuable guidance and support throughout the event.

The competition received enthusiastic participation from students across various disciplines. Questions encompassed a wide range of biotechnology topics, challenging contestants' knowledge, critical thinking, and problem-solving abilities. The event was a resounding success, fostering a sense of camaraderie and enthusiasm for biotechnology within the academic community. We look forward to hosting more such events in the future to promote knowledge exchange and intellectual growth in the field.

WEBINAR ON WOMEN AND TECHNOLOGY - DEPARTMENT OF MATHEMATICS

DATE: 14.05.2023

PROGRAMME REPORT

The Department of Mathematics, in association with the Internal Quality Assurance Cell (IQAC), Women Development Cell (WDC) and Women Protection Office, Women And Child Development Department, Malappuram, organized a webinar on "Women And Technology" on 14th May 2023 at 10:00am. The event aimed to shed light on the current state of women in the tech industry, including their representation in technology jobs and the lack of diversity in tech leadership roles.

The webinar received an enthusiastic response, with a total of 30 participants in attendance. The session commenced with Jayasree K G, WDC Coordinator and Head of the Department of Mathematics, extending a warm welcome to all the participants.

The keynote speaker for the webinar was ZilzilaKaladi resource person of 'Kanavu', the Women and Child Development Department, Calicut. ZilzilaKaladi shared valuable insights on the challenges faced by women in the tech industry and discussed the current percentage of women in technology jobs. The speaker emphasized the importance of promoting diversity and equality in tech-related fields.

At 11:30am, the webinar concluded with Abdul Basheer U, Assistant Professor in the Department of Mathematics, delivering words of appreciation to the speaker and expressing gratitude to all the participants for their active engagement.

FREEDOM DAY- DEPARTMENT OF BBA**

DATE: 03.05.2023

PROGRAMME REPORT

The Department of BBA in association with IQAC conducted a Webinar on Press Freedom and Democracy" on World Press Freedom Day, May 3, 2023, via Google Meet, was a vital discussion on the fundamental principles of a free and responsible press in a democratic society. Renowned speakers and participants engaged in insightful conversations about the role of media in upholding democratic values and the challenges it faces. The event emphasized the importance of a free press in holding governments accountable and safeguarding democracy. It served as a powerful reminder of the critical role journalists play in ensuring transparency and fostering informed citizenry, contributing to a vibrant and thriving democracy

IFTHAR MEET- DEPARTMENT OF COMPUTER SCIENCE

DATE: 17.04.2023

PROGRAMME REPORT

The "IftharMeet" conducted by the Department of Computer Science at GEMS College, Ramapuram, on April 17, 2023, at Pathiramanna Turf, was a heartwarming and inclusive event. It brought together students, faculty, and staff to break the fast during the holy month of Ramadan. The venue was filled with a sense of togetherness and unity as participants shared a delicious iftar meal, fostering connections and cultural understanding. This event exemplified the college's commitment to promoting diversity and inclusion, creating an environment where all members of the college community can come together to celebrate traditions and build stronger bonds.

TUBERCULOSIS (TB) AWARENESS CAMPAIGN- PG DEPARTMENT OF MICROBIOLOGY AND BIOTECHNOLOGY

DATE: 24.03.2023

PROGRAMME REPORT

The PG Department of Microbiology and Biotechnology organized a Tuberculosis (TB) Awareness Campaign on 24th March 2023. The campaign aimed to raise awareness about tuberculosis among Ayalkoottam members and MGNREGS workers. The event featured an awareness class, poster presentation, and a skit. The program commenced at 10:00 am with an introduction by the organizers. They highlighted the importance of raising awareness about tuberculosis, a prevalent infectious disease that affects millions of people worldwide.

The awareness class, led by Students from the Department of Microbiology and Biotechnology, provided in-depth information about tuberculosis. The class covered various aspects of the disease, including its causes, symptoms, modes of transmission, and prevention strategies. The participants gained valuable knowledge about the importance of early diagnosis, proper treatment, and adherence to medication to combat tuberculosis effectively.

Following the awareness class, a poster presentation was conducted. The participants, including Ayalkoottam members and MGNREGS workers, had the opportunity see informative posters related to tuberculosis. The posters highlighted key facts, risk factors, and preventive measures associated with the disease. The poster presentation encouraged interactive learning and facilitated the exchange of information among the participants.

The Tuberculosis Awareness Campaign successfully educated the Ayalkoottam members and MGNREGS workers about tuberculosis and its implications. The combination of the awareness class, poster presentation, and skit created an engaging and interactive learning environment. The event facilitated the dissemination of accurate information and addressed misconceptions surrounding tuberculosis.

DEPARTMENT OF GENERAL BIOTECHNOLOGY**

DATE: 22.03.2023

PROGRAMME REPORT

This report to provide an overview and summary of the "**JalShakthi**" Water Conservation Awareness Program conducted by the PG Department of General Biotechnology for Gems College students on 22nd March 2023, in connection with World Water Day. The program aimed to raise awareness about water conservation and promote responsible water usage among the college community. As part of the event, the PG students created a rangoli in front of the college campus to engage and educate the participants. The program took place on 22nd March 2023 at the Gems College campus.

The "**JalShakthi**" Water Conservation Awareness Program conducted by the PG Department of General Biotechnology for Gems College students on World Water Day was successful in achieving its objectives. Through the creative use of a rangoli and various program activities, the event effectively raised awareness about water conservation and encouraged responsible water usage among the participants. The program's impact and outcomes highlight the significance of such initiatives in promoting sustainable practices and inspiring behavioral.

GENDER AWARENESS CAMPAIGN- WOMEN DEVELOPMENT CELL

DATE: 16.03.2023

PROGRAMME REPORT

On March 16, 2023 at 1 am, the Women Development Cell, GEMS Arts and Science College, in association with IQAC, the Department of Kerala State Women and Child Development, and Integrated Child Development Services Mankada, organized a comprehensive Gender Awareness Campaign. The event aimed to raise awareness about gender equality, promote understanding of gender-related issues, and foster an inclusive and supportive environment for all genders.

The event began with an inaugural ceremony, featuring speeches from college officials, representatives from the collaborating organizations, and notable figures in the field of gender studies. Expert facilitator Ms. Beena Sanny, Faculty from KILA, conducted interactive workshops on topics such as gender stereotypes, consent, LGBTQ+ inclusivity, and women's rights. Participants engaged in discussions, role-playing exercises, and case studies to deepen their understanding of these issues.

The Gender Awareness Campaign was met with enthusiastic participation and positive engagement from students, faculty, and staff. It successfully challenged preconceived notions about gender and provided a platform for open dialogue and education. Participants gained valuable knowledge and skills to challenge gender stereotypes and advocate for a more equitable society.

DRUG AWARENESS CAMPAIGN- WOMEN DEVELOPMENT CELL

DATE: 14.03.2023

PROGRAMME REPORT

On March 14, 2023 at 2 pm, the Women Development Cell of GEMS Arts and Science College, in association with IQAC and South Indian Bank, organized a comprehensive drug awareness campaign titled "Safe Campus, Healthy Campus" at Research Centre and Library. The event aimed to educate students about the dangers of drug abuse, promote a safe and healthy campus environment, and provide resources for those in need.

The event commenced with a warm welcome to all attendees. The speaker Ms. Gadha M Das, District Coordinator, Vimukthi, delivered informative talks on the psychological, social, and legal aspects of drug abuse. They highlighted warning signs, prevention strategies, and available support systems. Representatives from South Indian Bank, as part of their corporate social responsibility, actively participated in the campaign. They shared valuable insights on financial management, emphasizing the importance of fiscal responsibility as a preventive measure against drug-related issue

The Drug Awareness Campaign - Safe Campus, Healthy Campus was instrumental in raising awareness about the dangers of drug abuse among college students. By engaging students in informative sessions, interactive workshops, and awareness drives, the campaign successfully conveyed the importance of making informed decisions and seeking help when needed

TALK ON CAREER SETTING - WOMEN DEVELOPMENT CELL

DATE: 08.03.2023

PROGRAMME REPORT

In celebration of International Women's Day on March 8th, the Women Development Cell at GEMS Arts and Science College organized a talk on "Career Setting." This informative event was part of the SHE CAMP initiative, designed to empower and guide young women in their career aspirations and choices. The "Career Setting" talk took place on March 4, 2023, 11.30 am at the college Research centre and Library. It was attended by 45 students.

The event began with a warm welcome by Mrs. Jayasree K G, Coordinator, the Women Development Cell. An introduction to the significance of International Women's Day and the purpose of the talk was provided.

The featured speaker for the event was Mrs. Diana Thankachan. The speaker delivered an inspiring and informative keynote address that covered various aspects of career setting, including goal setting, skill development, and overcoming challenges. The event featured stories of successful women who have excelled in various fields. These stories served as inspiration and showcased the diverse career opportunities available to women.

Practical tips and advice were shared on topics such as resume building, job interviews, networking, and work-life balance. Attendees received valuable insights into how to navigate the complexities of the job market.

The "Career Setting" talk was an enriching and empowering event that provided attendees with valuable insights and resources to help shape their career paths. Participants left the event with a clearer understanding of their career goals and actionable steps to achieve them.

CHALLENGES TO CHANGE: MOTIVATION CLASS- WOMEN DEVELOPMENT CELL

DATE: 8.03.2023

PROGRAMME REPORT

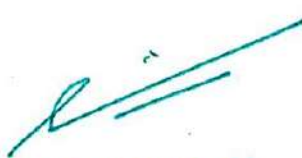

In celebration of International Women's Day on March 8th, the Women Development Cell (WDC) at GEMS Arts and Science College organized a motivation class 'Challenges To Change' as part of the SHE CAMP initiative. The session aimed to empower and motivate young women by providing them with tools and strategies to overcome challenges and achieve their goals.

The motivation class took place on March 4, 7.30 pm, 2023, at the college research centre and Library. It was attended by students, faculty members and staff who shared a common interest in supporting women's personal and professional development. The event began with a warm welcome by Mrs. Jayasree K G, Coordinator, and WDC. An introduction to the significance of International Women's Day and the purpose of the motivation class was provided.

Practical tips and techniques for setting and achieving goals were shared during the session. Attendees were encouraged to identify their aspirations and create actionable plans to work towards them. The session emphasized the importance of self-care and mental well-being. Students learned about mindfulness practices and stress management techniques to help them stay motivated and balanced.

The motivation class was a powerful and impactful event that left students feeling inspired, motivated, and equipped with strategies to navigate life's challenges and pursue their dreams. Participants left with a renewed sense of purpose and a greater belief in their ability to achieve their goals.

INTERACTION WITH YOUNG ENTREPRENEUR- WOMEN DEVELOPMENT CELL

DATE: 04.03.2023

PROGRAMME REPORT

As part of the SHE CAMP initiative in celebration of International Women's Day, the Women Development Cell (WDC) at GEMS Arts and Science College organized an insightful and interactive session titled "Interaction with Young Entrepreneur." This event aimed to inspire and empower young women by introducing them to the world of entrepreneurship and innovation.

The "Interaction with Young Entrepreneur" program was held on March 4, 9.30 am, 2023, at the College Research Centre and Library. It provided a unique opportunity for students to engage with successful young entrepreneurs who have made their mark in various industries. The event commenced with a warm welcome by Mrs. Jayasree K G, Coordinator, Women Development Cell. An introduction to the importance of International Women's Day and the objectives of the interaction session was provided.

The heart of the program was a panel discussion featuring accomplished young entrepreneur from diverse backgrounds. Entrepreneur shared their journey; challenges faced, and key insights into the world of entrepreneurship. The discussion was moderated to ensure a dynamic exchange of ideas. Following the panel discussion, students had the opportunity to ask questions and seek advice from the entrepreneur. The entrepreneur shared their success stories, emphasizing the role of determination, innovation, and resilience in achieving their goals. These stories served as a source of inspiration for the aspiring entrepreneurs in the audience.

The "Interaction with Young Entrepreneur" program left a profound impact on students. It provided valuable insights into the world of entrepreneurship and inspired young women to explore their entrepreneurial potential. The personal stories and advice shared by the entrepreneur resonated with those in attendance, instilling a sense of empowerment and possibility.

TALK ON CYBER ISSUES AND LAWS- WOMEN DEVELOPMENT CELL

DATE: 04.03.2023

PROGRAMME REPORT

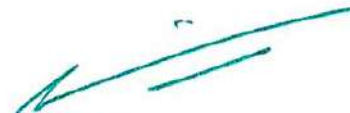

In commemoration of International Women's Day, celebrated annually on March 8th, the Women Development Cell at GEMS Arts and Science College organized a talk on "Cyber Issues and Laws." This event was part of the SHE CAMP initiative, designed to empower and educate young women about the challenges and legal aspects related to cyber security. The "Cyber Issues and Laws" talk took place on March 4, 2023, 3 pm at the college Research centre and Library. It was attended by 45 students

The event began with a warm welcome by Mrs. Jayasree K G, Coordinator, and the Women Development Cell. An introduction to the significance of International Women's Day and the purpose of the talk was provided.

The featured speaker for the event was Adv. Raihanath, an expert in cyber security and cyber laws. The speaker delivered an informative and engaging keynote address that covered various cyber issues affecting women, including online harassment, cyber bullying, and privacy concerns. The talk also highlighted relevant cyber laws and regulations.

The talk emphasized the importance of knowledge and awareness in safeguarding oneself online. Attendees were provided with tips and resources on how to protect their digital identities and seek legal recourse if needed. The "Cyber Issues and Laws" talk proved to be an eye-opening and informative event. Attendees left with a deeper understanding of the cyber challenges women may face and the legal measures in place to protect their rights.

JAM ONE MUSICAL NIGHT: MUSICAL EVENT- WOMEN DEVELOPMENT CELL

DATE: 04.03.2023

PROGRAMME REPORT

As part of the SHE CAMP initiative in celebration of International Women's Day, the Women Development Cell (WDC) at GEMS Arts and Science College organized a musical event. The Jam One (college music band) Musical Night was a highly anticipated musical event that took place on 04/03/2023, 10.00 pm at College Rooftop auditorium. This event aimed to bring together music enthusiasts for a night of live music and entertainment.

The Jam One Musical Night was a vibrant and energetic event. The event provided a platform for local talent to shine. Emerging artists had the opportunity to share their music and gain exposure in front of a live audience.

The Jam One Musical Night was a resounding success, drawing music lovers from the local community and beyond. It celebrated the rich tapestry of musical talent in the region and provided a platform for artists to showcase their skills. The event also promoted a sense of unity and camaraderie among attendees who shared a passion for music.

TALK ON WOMEN EMPOWERMENT- WOMEN DEVELOPMENT CELL

DATE: 04.03.2023

PROGRAMME REPORT

In honour of International Women's Day, celebrated annually on March 8th, the Women Development Cell at GEMS Arts and Science College organized a talk on women empowerment under the theme, "Empower Women; Empower State." The event was a part of the SHE CAMP initiative, which aims to empower and inspire young women to become leaders and change-makers in society. The talk on women empowerment took place on March 4, 2023, at the college Rooftop Auditorium. It was attended by 45 students.

The event commenced with a warm welcome from Mrs. Jayasree K G, Coordinator, the Women Development Cell. An introduction to the significance of International Women's Day and the purpose of the talk was provided.

The featured speaker for the event was Mr. Shabeerali, a UNICEF trainer. The speaker delivered a powerful and inspirational keynote address that highlighted the pivotal role of women in the progress and development of society. The importance of empowering women not only for their own benefit but for the overall advancement of the state and nation was a central theme.

The talk on women empowerment, themed "Empower Women; Empower State," left a profound impact on the attendees. Participants left the event with a deeper understanding of the pivotal role women play in societal development and the importance of empowering them in various aspects of life. The event also encouraged meaningful conversations about gender equality and women's rights.

YOGA AND MEDITATION PROGRAMME - WOMEN DEVELOPMENT CELL

DATE: 04.03.2023

PROGRAMME REPORT

In commemoration of World Women's Day, the Women Development Cell at GEMS Arts and Science College organized a yoga and meditation program as part of the SHE CAMP initiative. The event aimed to promote physical and mental well-being among young women, emphasizing the importance of self-care and holistic health. The early morning session provided participants with an opportunity to connect with their inner selves and start the day with a sense of tranquillity. The yoga and meditation program took place on March 4, 2023, 6.30 am, at the college Rooftop Auditorium.

The event began with a warm welcome by Mrs. Jayasree K G, Coordinator, the Women Development Cell. An introduction to the significance of World Women's Day and the purpose of the yoga and meditation program was provided.

Led by a certified yoga instructor, Nisha Riyas – FITNISH yoga studio Perinthalmanna, the session included a series of yoga asanas (postures) and pranayama (breathing exercises) suitable for participants of all levels of experience. The yoga session emphasized flexibility, strength, and stress relief.

The event concluded with an empowerment message emphasizing the importance of self-care, mental health, and self-empowerment for women.

"AKEELAH AND THE BEE" : FILM SCREENING - WOMEN DEVELOPMENT CELL

DATE: 03.03.2023

PROGRAMME REPORT

In celebration of International Women's Day on March 8th, the Women Development Cell at GEMS Arts and Science College organized a special film screening event as part of the SHE CAMP initiative. The event aimed to promote women's empowerment and encourage meaningful dialogue about the importance of education and resilience among young women. The chosen film, "Akeelah and the Bee," served as a source of inspiration and motivation for the attendees.

The film screening event took place on March 3, 5pm, 2023, at the college Theatre. It was attended by students, faculty members, and staff, as well as members of the management interested in promoting women's empowerment and education. The event began with a warm welcome by Mrs. Jayasree K G, Coordinator, Women Development Cell. An introduction to the significance of International Women's Day and the purpose of the film screening was provided. The guest speaker, Manjalamkuzhi Ali MLA, the chairman of the college, delivered a keynote address. The speaker provided valuable insights and practical advice on how to overcome challenges and excel academically.

"Akeelah and the Bee" is a heartwarming and inspirational story that revolves around Akeelah Anderson, a young African-American girl with a remarkable talent for spelling. Despite her challenging circumstances, Akeelah sets her sights on competing in the National Spelling Bee, a highly competitive and academically rigorous event. The film follows her journey as she overcomes obstacles, forms mentorship relationships, and discovers her own potential.

After the screening, a facilitated discussion took place. Students shared their thoughts, insights, and personal reflections on the film's themes, particularly focusing on the importance of education, determination, and women's empowerment.

SHE CAMP INAUGURATION- WOMEN DEVELOPMENT CELL

DATE: 03.03.2023

PROGRAMME REPORT

The Women Development Cell (WDC) at GEMS Arts and Science College proudly organized the inauguration of SHE CAMP on March 3, 2023, at 3:30 PM. The event was graced by the esteemed presence of Honorable Sub Collector Sreedhanya Suresh IAS. SHE CAMP, an initiative by the WDC, was inaugurated in celebration of International Women's Day, aiming to empower and uplift young women by providing them with valuable skills, knowledge, and mentorship opportunities. The program commenced with a warm welcome extended to Honorable Sub Collector Sreedhanya Suresh IAS, faculty members and students. The welcome address emphasized the significance of SHE CAMP and its role in promoting women's empowerment. The presidential address was delivered by Dr. Naveen Mohan, the Principal, Gems Arts and Science College. The Key note address was delivered by Dr. B G Unni, Academic and Research Director

Honorable Sub Collector Sreedhanya Suresh IAS delivered an inspiring inaugural speech, emphasizing the importance of women's education, empowerment, and active participation in society. Her words of wisdom motivated and energized the audience, setting a positive tone for the entire event. Following the inauguration, interested participants were able to register and 45 students were enrolled.

The WDC provided an overview of the SHE CAMP initiative, outlining its objectives, workshops, and activities planned for the participants. The event included a brief overview of the workshops and activities planned for SHE CAMP, including sessions on leadership skills, entrepreneurship, self-defense, and career guidance.

The Women Development Cell at GEMS Arts and Science College expresses sincere gratitude to Honorable Sub Collector Sreedhanya Suresh IAS, faculty members, students, and all attendees who contributed to the success of this inspiring inauguration event.

GIVE WINGS TO YOUR DREAMS: DRIVE WITH GEMS - WOMEN DEVELOPMENT CELL

DATE: 27.02.2023

PROGRAMME REPORT

On February 27, 2023, the Women Development Cell, in association with IQAC, and in collaboration with K C Motor Driving School, Perinthalmanna, organized the inauguration of a Motor Driving Class at GEMS Arts and Science College. The initiative aimed to empower women with essential driving skills, fostering independence, and enhancing personal safety.

The event began with an inaugural ceremony, graced by Dr. Naveen Mohan, College Principal, representatives from the Women Development Cell and IQAC, and instructors from K C Motor Driving School. A Linkage was signed between the college and K C Motor Driving School, formalizing the collaboration and outlining the details of the driving class, including the curriculum, schedule, and safety protocols.

Following the inauguration, interested participants were able to register and enrol in the driving class. The enrolment process included document verification, scheduling of classes, and distribution of course materials.

The inauguration of the Motor Driving Class marked a significant step towards empowering women in the college community and extended to society. By offering practical driving skills, the initiative aimed to enhance personal safety, boost confidence, and promote independence among female students and staff. The collaboration with K C Motor Driving School ensured professional training and a structured learning environment.

After 2 months driving classes 5 students (FathimaFarsana C - fourth semester B.Sc Mathematics, NajiyaThasni K - fourth semester BA English,RaniyaRisvana - fourth semester BA English, Shamna A - fourth semester BA English, FahmidaJabin - fourth semester BA English) 2 teaching faculties(NusrathShumna - PG Department of Commerce and Shameema M- PG Department of Microbiology), one non teaching faculty(Sindu M) and one neighboring girl (Anju Krishna) were got the driving license.

DEBATE COMPETITION ON IS GENDER EQUALITY SCIENTIFIC? - WOMEN DEVELOPMENT CELL

DATE: 23.02.2023

PROGRAMME REPORT

In the spirit of International Women's Day, the Women Development Cell of GEMS Arts and Science College in association with IQAC organized a thought-provoking debate competition titled "Is Gender Equality Scientific?" The competition aimed to foster critical thinking and engage students in discussions around the scientific aspects of gender equality. The event comprised departmental rounds on February 23, 2023, and a final round on February 24, 2023.

The event kicked off with a welcome address, explaining the rules and format of the competition. Students were briefed on the evaluation criteria, emphasizing the need for well-researched and evidence-based arguments. 10 departments participated in this competition. Judges provided feedback to the participants, offering valuable insights to help them improve their arguments. The top performers were selected to proceed to the final round.

Final Round (February 24, 2023)

The final round began with an opening ceremony, welcoming participants and faculty members. The event's importance and relevance to International Women's Day were emphasized. After the debates, judges deliberated to determine the winners. The evaluation process focused on the depth of research, clarity of expression, and the ability to construct compelling arguments. The Department of Sociology and Social work got the first prize. HadiyaHarim from the PG Department of Social Work and Sociology got the best debater prize.

The debate competition on "Is Gender Equality Scientific?" sparked meaningful discussions and encouraged students to explore the topic critically. It highlighted the importance of applying scientific principles to address issues related to gender equality. The competition provided a platform for students to enhance their research, analytical, and presentation skills.

ONE DAY WORKSHOP ON BOTTLE ART- WOMEN DEVELOPMENT CELL AND ENTREPRENEURSHIP DEVELOPMENT CLUB

DATE: 06.02.2023

PROGRAMME REPORT

On February 6, 2023, the Women Development Cell and Entrepreneurship Development Club of GEMS Arts and Science College, in association with IQAC, and in collaboration with Kerala State Women Development Cell, organized a creative and engaging workshop on Bottle Art. The workshop aimed to foster creativity, entrepreneurial skills, and environmental consciousness among participants, offering them a unique platform to explore their artistic talents and turn waste materials into beautiful artworks. 26 students and 4 teachers were participated to the session.

The One Day Workshop on Bottle Art provided participants with hands-on experience in upcycling glass bottles into decorative and functional pieces of art. Through this workshop, students learned innovative techniques to transform discarded bottles into aesthetically pleasing home décor items, contributing to the college's sustainability initiatives and promoting entrepreneurship in the art and craft sector.

The workshop began with a warm welcome from Mrs. Jayasree K G, Coordinator, and Women Development Cell. The formal session was inaugurated by Mrs. Sheeba K V (Guest and Trainer) and the Presidential Address was delivered by Dr. Naveen Mohan (College Principal). Expert artist Mrs. Sheeba K V demonstrated various Bottle Art techniques, including painting, decoupage, embellishment, and carving through 3 modules. Participants had the opportunity to observe and learn these skills firsthand.

The One Day Workshop on Bottle Art not only provided participants with valuable artistic skills but also instilled a sense of environmental responsibility and entrepreneurship. By repurposing waste materials into beautiful artworks, students learned the importance of sustainable practices and creative innovation. The workshop fostered a spirit of entrepreneurship, inspiring participants to consider art and craft as a viable career option.

WELLNESS SESSION - IF YOU FIND SERENITY AND HAPPINESS, SOME MAY BE JEALOUS. BE HAPPY ANYWAY"- WOMEN DEVELOPMENT CELL

DATE: 30.01.2023

PROGRAMME REPORT

On January 30, 2023, at 10.30 am, the Women Development Cell, in collaboration with the Internal Quality Assurance Cell (IQAC) and the National Service Scheme (NSS), organized a workshop on "wellness session - If you find serenity and happiness, some may be jealous". Be happy anyway." The workshop aimed to promote mental and emotional well-being, encouraging participants to find happiness amidst challenges and negativity.

The event began with a warm welcome from Mrs. Jayasree k G, Coordinator, Women Development Cell, highlighting the significance of mental and emotional well-being. An expert, the speaker Mr. Shabeerali, UNICEF trainer in mental health and well-being delivered a keynote address, emphasizing the importance of finding inner peace and happiness regardless of external circumstances. The speaker shared practical tips on cultivating a positive mindset and dealing with jealousy and negativity.

The wellness workshop proved to be a transformative and empowering experience for all students. Participants left with a deeper understanding of the importance of mental and emotional well-being and practical tools to nurture their happiness and serenity. The event created a sense of unity and shared purpose among the participants, encouraging them to prioritize their well-being and support one another.

PAIN AND PALLIATIVE CARE DAY PROGRAMME- PG DEPARTMENT OF SOCIAL WORK AND SOCIOLOGY

DATE: 15.01.2023

PROGRAMME REPORT

As a part of pain and palliative care day first year MSW trainees conducted a fundraising programme in Puzhakkatiri Grama Panchayat. As a part of pain and palliative care day observation, first year MSW students of PG department of social work and sociology of GEMS Arts and Science College Ramapuram in association with IQAC conducted a fund raising programme in collaboration with Puzhakkatiri Grama Panchayat

Trainees reached at Puzhakkatiri Grama Panchayat pain and palliative care centre by 10 in the morning. Along with some Student Police Cadet(SPC) , trainees got an orientation session.

Mr.Umeraali, representative of the organisation coordinated the session. Later by 11 trainees went for fund collection. Trainees were split into 2 groups and went to Padapparamba town and Kadunghapuram .After having lunch, by 1'0' clock in the afternoon trainees collected fund from Puzhakkatiri and Ramapuram petrol pump.The trainees as a whole raised an amount of 46379 altogether.

The fund raising programme conducted by first year MSW students in collaboration with Puzhakkatiri Grama Panchayat was a success as they were able to raise a huge amount. Fifteen trainees and twenty student police cadets are participated in this fund rising.

CHRISTMAS AND NEW YEAR CELEBRATION-STUDENTS UNION

DATE: 22.12.22

PROGRAMME REPORT

Christmas celebration at our college was a heartwarming and joyous event that brought the spirit of the season to life. The campus was adorned with festive decorations, creating a festive ambiance. The day started with a beautiful Christmas carol singing session by students, spreading cheer to everyone present.

The highlight of the celebration was a play depicting the nativity scene, reminding us of the true meaning of Christmas. Students and staff exchanged thoughtful gifts in a Secret Santa exchange, fostering a sense of camaraderie. The event also featured a delectable spread of holiday treats, including traditional Christmas cookies and cakes.

Moreover, the celebration extended beyond the college community, as students organized a charity drive to collect donations for the underprivileged. This act of kindness truly captured the essence of the season - giving and sharing.

TALK ON "LIFE AND SECURITY: ORANGE THE WORLD CAMPAIGN"- WOMEN DEVELOPMENT CELL

DATE: 01.12.2022

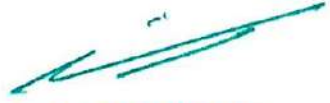

PROGRAMME REPORT

On December 1, 2022, the Women Development Cell, in association with the Internal Quality Assurance Cell (IQAC), NSS and the Department of Kerala State Women and Child Development and Mankada ICDS, organized a talk on "Life and Security: Orange the World Campaign." This event was part of the international campaign spanning from November 25 (International Day for the Elimination of All Kinds of Violence Against Women) to December 10 (Human Rights Day) at Rooftop Auditorium. The objective was to raise awareness about violence against women and promote discussions about women's safety and security.

The event began with a warm welcome from the organizer Mrs. Indira P K, Mankada ICDS project, child development Officer acknowledging the importance of the Orange the World Campaign and the significance of addressing violence against women. Mrs. Jayasree K G, Coordinator, Women Development Cell, delivered the Presidential address.

The speaker, Adv. Raihanath delivered a keynote speech, highlighting the global significance of the Orange the World Campaign. The speaker emphasized the need for collective action to eliminate all forms of violence against women. The talk on "Life and Security: Orange the World Campaign" was a deeply impactful and thought-provoking event. It not only raised awareness about the issues surrounding violence against women but also inspired attendees to become advocates for change. The event provided a safe space for discussion, fostering a sense of community and solidarity among students.

DEPARTMENT OF MICROBIOLOGY**

DATE: 24.11.22

PROGRAMME REPORT

World Antimicrobial Awareness Week (WAAW) is an annual global campaign celebrated to improve awareness and understanding of Antimicrobial resistance (AMR) and promote best practices among the public, One Health stakeholders, and policymakers. The campaign aims to address the urgent need to combat AMR and prevent the further emergence and spread of drug-resistant microbes. This report highlights the activities conducted by the PG Department of Microbiology during WAAW 2022.

As a part of WAAW 2022, the students and teachers of the microbiology department organized an awareness rally. The rally started from the college premises and proceeded towards Puzhakkattiri town. The honorable Vice Chairman, Mr.Vasudevan, flagged off the rally, symbolizing the official commencement of the event.

The Principal of the college sent messages on Antimicrobial resistance, emphasizing the importance of individual and collective efforts in tackling this global health challenge. These messages were shared with the participants of the rally and further disseminated through various communication channels.

Upon reaching Puzhakkattiri town, Ms.Shameema M, Assistant Professor of the PG Department of Microbiology, delivered messages and explained the theme of the awareness programme to the students and the public. Her speech focused on the impact of AMR on public health and the critical role each individual plays in preventing its escalation.

MSc students from the microbiology department conducted awareness classes for the people residing near the college. They visited approximately 20 families and delivered informative sessions on AMR. The students explained the importance of appropriate antibiotic use, proper hygiene practices, and the significance of completing the full course of antibiotics to prevent the development of drug-resistant microbes. Feedback was collected from the participants to assess the effectiveness of the awareness

COASTAL CLEANUP DRIVE-NSS

DATE: 17.09.2022

PROGRAMME REPORT

The Gems NSS unit embarked on a commendable initiative by organizing a cleaning program at the picturesque Tirur Wakkad seaside. Operating under the theme of "Swachh Sagar Surakshit Sarjas," the program sought to address the environmental concerns surrounding marine pollution while upholding the ideals of the NSS. This endeavor reflects the unit's commitment to social responsibility and environmental preservation.

The NSS volunteers played a pivotal role in making the cleaning program a success. With their active participation, they demonstrated a strong sense of duty towards maintaining the cleanliness and beauty of the coastal ecosystem. By meticulously collecting plastic waste that had accumulated on the beach, the volunteers not only tackled a pressing environmental issue but also contributed to the overall aesthetics of the area, making it a more inviting and pristine space for both residents and visitors. The significance of this program was highlighted by the presence of Mr. Naufal, the Malappuram District NSS Coordinator. His involvement underscored the official recognition and support that the initiative received.

Having a prominent figure from the NSS leadership participate in the event reinforced the importance of such endeavors in fostering a sense of responsibility and accountability among the youth, inspiring them to take concrete actions for the betterment of their surroundings. The theme "Swachh Sagar Surakshit Sarjas" encapsulates the core objectives of the program, focusing not only on cleaning but also on safeguarding the marine environment. The careful choice of the theme exemplifies the Gems NSS unit's intention to raise awareness about the interconnectedness of land and sea ecosystems, emphasizing the need to protect our oceans and beaches from pollution and degradation. In conclusion, the Gems NSS unit's cleaning program at Tirur Wakkad seaside exemplifies the fusion of environmental consciousness, social responsibility, and youth engagement. By choosing to address the issue of marine pollution through active participation and meaningful action, the volunteers have demonstrated their commitment to creating a cleaner and healthier environment for present and future generations. This initiative serves as a reminder of the collective impact that small, localized efforts can have in contributing to the greater cause of environmental sustainability.

INDEPENDENCE DAY CELEBRATION -NSS

DATE: 15.08.2022

PROGRAMME REPORT

The Independence Day celebration at GEMS College on August 15, 2023, was a patriotic and unifying event. Students, faculty, and staff gathered to commemorate India's 77th year of independence with great enthusiasm. The venue was adorned with the national flag and decorations in the tricolor, creating a vibrant ambiance. The event featured speeches, cultural performances, and the hoisting of the Indian flag, fostering a sense of national pride and unity among the participants. It served as a reminder of the sacrifices made by freedom fighters and inspired a commitment to upholding the values of democracy, liberty, and equality in the college community.

**A TALK ON WOMEN IN INDIAN CINEMA- PG DEPARTMENT OF ENGLISH
LANGUAGE AND LITERATURE**

DATE: 12.08.2022

PROGRAMME REPORT

PG Department of English Language and Literature conducted a Talk on women in Indian Cinema on at seminar hall. The talk was delivered by Dr. GeethaKrishnankutty, former Assistant Professor of PG Department of English Language and Literature. She highlighted that in the early days of Indian cinema, women were often portrayed as traditional, obedient, and largely passive characters. However, over the decades, the portrayal of women has undergone significant changes, reflecting societal shifts and feminist movements. The talk showcased the contributions of iconic actresses like Nargis, Madhubala, and MeenaKumari, who not only shaped the cinematic landscape but also challenged traditional gender roles through their on-screen personas. During the talk, the audience actively engaged with the speaker through questions and discussions. Many shared their perspectives on their favourite female characters and how these characters had influenced their own lives. The vote of thanks was delivered by Mr. Anand C Assistant Professor of PG Department of English Language and Literature.

PROGRAMME REPORT

On August 11, 2022, the Women Development Cell and the Department of Multimedia, in association with the Internal Quality Assurance Cell (IQAC) and the Kerala State Women Commission, conducted a comprehensive premarital counselling program at the Rooftop Auditorium. This initiative was aimed at educating young individuals about the nuances of premarital relationships, responsibilities, and the importance of mutual understanding and communication in a marriage.

The event commenced with a welcome address by Mrs. Jayasree K G, Coordinator of Women Development Cell, the presidential address was delivered by Dr. Naveen Mohan, Principal, Gems Arts and Science College.

Experienced counsellors Hajira M V and Munshida K conducted interactive sessions on various topics related to premarital relationships. These sessions covered communication techniques, emotional intelligence, conflict resolution strategies, and financial planning. Participants engaged in interactive workshops that encouraged open discussions and activities focused on improving communication skills and understanding each other's perspectives.

The collaboration between the Women Development Cell, the Department of Multimedia, IQAC, and the Kerala State Women Commission proved to be a successful initiative in promoting healthy relationships among young adults. Mr. Raghu M D, Head of the Department of Multimedia delivered vote of thanks.

FREEDOM MEGA QUIZ-COLLEGE STUDENTS UNION

DATE: 08.09.2022

PROGRAMME REPORT

On September 8, 2022, the College Union 2022-23 organized an exciting and intellectually stimulating event, the "Freedom Mega Quiz," which saw enthusiastic participation from students across various departments. The event aimed to test the participants' knowledge of freedom-related topics and commemorate the significance of freedom and independence.

The Freedom Mega Quiz took place in the college auditorium, creating a vibrant atmosphere filled with anticipation and competitive spirit. The quiz consisted of multiple rounds covering various aspects of freedom, including historical events, famous personalities, and contemporary issues related to freedom and independence. Students from different courses and academic years participated in the quiz. The event attracted a diverse group of participants, all eager to showcase their knowledge and compete for the coveted title.

After several rounds of intense competition, it was the team led by AjnaSMohammed, a student from the BMMC (Bachelor of Mass Media and Communication) program that emerged victorious. Ajnas Mohammed displayed exceptional knowledge and quick thinking throughout the quiz, earning him the title of the quiz winner. a trophy and a certificate in recognition of his remarkable performance. The winning team also received certificates of participation and applause from the audience for their outstanding efforts.

The Freedom Mega Quiz organized by the College Union on September 8, 2022, was a resounding success. It not only tested the participants' knowledge but also promoted a sense of unity and patriotism among the students. Congratulations to Ajnad Mohammed and his team for their impressive victory, and kudos to the College Union for organizing such an engaging and educational event. The quiz served as a reminder of the importance of freedom and independence in our lives and encouraged students to appreciate and celebrate these values

**WORLD ZOOONOSIS DAY QUIZ AND AWARENESS COMPETITION- PG
DEPARTMENT OF GENERAL BIOTECHNOLOGY**

DATE: 06.07.2022

PROGRAMME REPORT

On the occasion of World Zoonosis Day, the PG Department of General Biotechnology organized a Quiz and Awareness Competition on 6th July 2023. The event aimed to raise awareness about zoonotic diseases and their impact on human and animal health. This report provides an overview of the event, including its objectives, participants, activities, and outcomes.

The competition witnessed enthusiastic participation from students pursuing their postgraduate studies in the field of General Biotechnology. A total of 40 students, divided into 10 teams of 4 members each, took part in the event. The participants were selected based on their academic performance and interest in zoonotic diseases.

The World Zoonosis Day Quiz and Awareness Competition proved to be highly successful in achieving its objectives. The event provided a platform for students to deepen their understanding of zoonotic diseases and their interdisciplinary nature. Some key outcomes of the event include:

The participants gained a comprehensive understanding of zoonotic diseases, including their causes, transmission, and preventive measures. This knowledge will enable them to make informed decisions and contribute to the prevention and control of such diseases.

Through the presentations and discussions, the participants developed their research, presentation, and communication skills. These skills are crucial for future scientific endeavors and professional growth.

The competition encouraged teamwork and collaboration among the participants. They had the opportunity to interact with like-minded individuals, fostering the formation of networks and potential collaborations in the field of biotechnology
