DEPARTMENT OF ECONOMICS & STATISTICS KERALA - AGRICULTURE CENSUS 2022-2023

10.05.2023 TO 30.05.2023

The Agriculture Census 2022-23, organized by the Department of Economics and Statistics in Kerala, was a significant endeavor that aimed to gather comprehensive agricultural data. To facilitate the successful execution of this survey, the cooperation of the GEMS NSS unit was enlisted. The survey kicked off with a series of preparatory steps, including understanding the survey's purpose, obtaining identity cards, and setting up registration forms on mobile phones. This initial groundwork allowed the NSS team to actively engage in the survey process. The collaboration between the NSS unit and the Department of Economics and Statistics became evident as the NSS team visited the Malappuram Collectorate. Here, they interacted with an officer named Jyotish to obtain further guidance and direction for the upcoming survey. With the groundwork in place, the NSS unit commenced the survey on the following day, embarking on a journey to gather vital agricultural and household information. The scope of the survey was extensive, spanning 19 wards within the Kootilangadi Gram Panchayath. Under the leadership of the Department of Economics and Statistics, the NSS unit collected a range of data, including the names of the family heads, their father's names, land ownership details, mobile numbers, and house numbers.

This collaborative approach not only helped to complete the survey efficiently but also provided students with an opportunity to interact with a diverse range of individuals within their community. Each ward encompassed a considerable number of households, ranging from 350 to 500, making the survey a substantial undertaking. Upon completing the surveys in all the designated wards, the collected information was then uploaded onto the Agri phase app.

PROGRAM REPORT

SNEHASPARSAM

14.02.2023

30 NSS (National Service Scheme) volunteers from GEMS Arts and Science College Ramapuram participated in the event 'Snehasparsam' organized on 14th February 2023. The program was inaugurated by Sri Manjalamkuzhi Ali, MLA, Mankada Panchayath. Panchayath president Ummukulusu Chakkachan and other dignitaries were present. Participating in such events reflects a commitment to community service and social responsibility. The gathering of palliative patients' families organized by Puzhakkattiri Community Health Centre (CHC) and the Gram Panchayat is likely focused on providing support, comfort, and companionship to individuals and families facing palliative care situations. It's great to see these volunteers contributing to an event that likely aimed to create a supportive and compassionate environment for palliative care patients and their families. Such initiatives play a crucial role in building empathy, raising awareness about healthcare needs, and creating a sense of community.

PROGRAM REPORT

BEACH CLEANING AT CALICUT

02.10.2021

The NSS GEMS Unit displayed its dedication to environmental cleanliness and community engagement by actively participating in the inaugural day of the "Sundaratheeram Theeradesa Sucheekaranam" cleanliness mission. This ambitious initiative, spearheaded by the Calicut Corporation, aimed to promote a cleaner environment with active public involvement. The event kicked off on October 2nd, serving as a powerful reminder of the impact that collective efforts can have on the upkeep of public spaces

The NSS GEMS Unit's involvement in the first day of this massive cleanliness mission underscored its commitment to social responsibility and environmental well-being. As they joined hands with fellow citizens, their presence symbolized a shared dedication to fostering a cleaner and healthier community. The participation of NSS volunteers resonated with the organization's ethos of contributing to society through hands-on actions. The "Sundaratheeram Theeradesa Sucheekaranam" mission took on a monumental task, spanning 22 kilometers of beachfront cleanup over the course of a week. The NSS GEMS Unit's involvement on the inaugural day set the tone for this ambitious undertaking. A total of 34 NSS Volunteers participated in the program. Their active participation demonstrated that small steps taken by dedicated individuals can lead to significant changes, inspiring others to join in the ongoing effort to maintain the beauty and cleanliness of public spaces. The event highlighted the importance of public engagement in maintaining the environment. By participating in such initiatives, individuals and organizations like the NSS GEMS Unit contribute to the creation of a culture of cleanliness and responsibility. Their involvement emphasized that a collective commitment to preserving natural resources and public spaces is vital for the betterment of the community as a whole. In conclusion, the NSS GEMS Unit's participation in the first day of the "Sundaratheeram Theeradesa Sucheekaranam" cleanliness mission showcased their dedication to environmental stewardship and community involvement. By joining hands with the Calicut Corporation and fellow citizens, they contributed to the extensive beach cleaning effort, demonstrating that even small contributions can have a profound impact on the maintenance of public spaces. Their involvement exemplified the essence of the NSS spirit – of service, unity, and making a positive change for a better tomorrow

WEBINAR ON ENTREPRENEURIAL ORIENTATION PROGRAMME

02.08.2021

Entrepreneurship Development Club in association with IQAC conducted a webinar on Entrepreneurial Orientation Programme for new members on 02.08.2021 at 2 PM. ED club coordinator Mr. Ajeesh. T welcomed all the persons into the program. Dr. Naveen Mohan, Principal, of GEMS Arts and Science College, inaugurated the session. He shared so many things with the students including an old dream to start an automobile workshop. The orientation program is handled by Mr.Sivaprakash, ED National Faculty Member & Assistant Professor of Khidmah Arts and Science College, Thirunavaya. He started his speech with the story of a man who sold his personal properties to become a gems trader. And he stated that the real gems are within us, the only thing we have to do is to realize them. He mentioned - who is an entrepreneur, who should be an entrepreneur, the qualities of an entrepreneur, entrepreneurial motives, and different activities that can be conducted under the ED club to develop young entrepreneurs- in his speech. Mr. Umair Kallingal, a second-semester BA Multimedia student delivered the vote of thanks. A total of twenty-six participants were present.

PROGRAM REPORT
A SEMINAR ON "ENTREPRENEURSHIP DEVELOPMENT
PROGRAM"

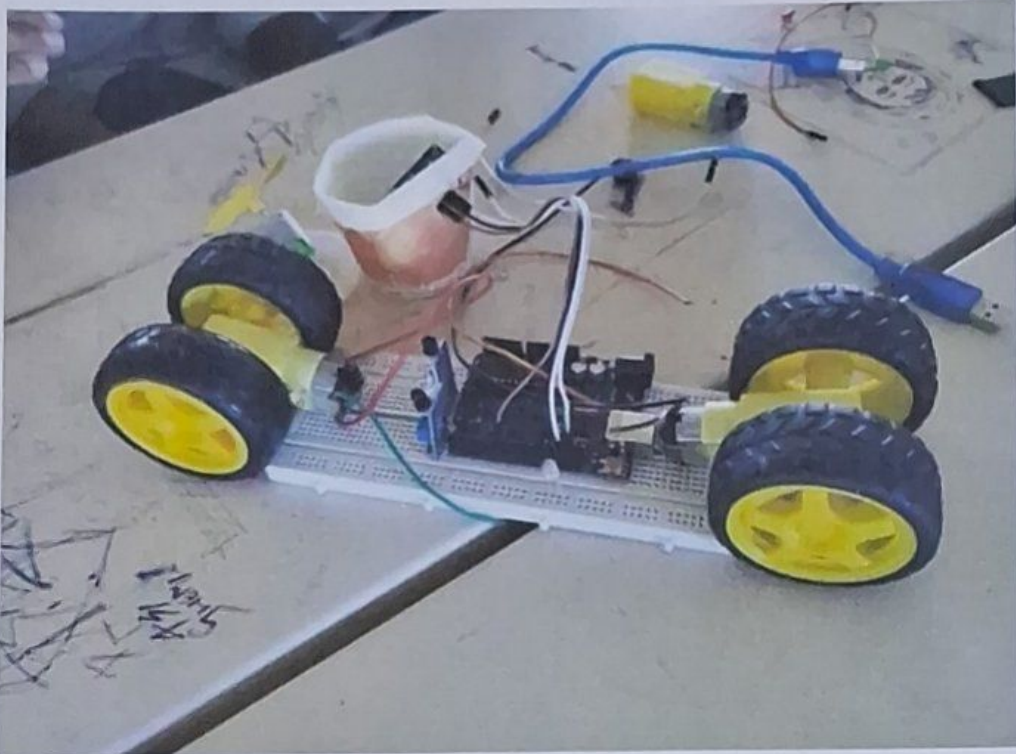

06.08.2019 TO 07.08.2019

The "Entrepreneurship Development" seminar held at GEMS College Seminar Hall featured SONU, former IEDC coordinator at AIMAT, ALUVA, as the resource person. The event took place on the 6th and 7th of August 2019, with an attendance of 30 participants. SONU, drawing on extensive experience, shared insights on fostering entrepreneurial skills and development. Topics covered included ideation, business planning, and navigating challenges in the entrepreneurial journey. The interactive sessions allowed participants to engage with practical aspects of entrepreneurship, encouraging a dynamic exchange of ideas. The seminar served as a valuable platform for aspiring entrepreneurs to enhance their understanding of the entrepreneurial ecosystem. SONU's expertise and the collaborative atmosphere fostered a stimulating environment, equipping participants with knowledge crucial for venturing into the realm of entrepreneurship. Overall, the "Entrepreneurship Development" program at GEMS College proved to be an enriching experience, empowering individuals with the essential tools to embark on entrepreneurial endeavors. About 30 participants attended the session.
