

## **THEATRE**

Gems Arts and Science College Theatre, nestled within the confines of the Library and Research Centre, stands as a state-of-the-art cultural hub on our campus. Boasting a colossal 150" screen, the theatre ensures a visually immersive experience for its audience. Complementing this grand display is a powerful 3800 Watts Sound Dolby system that elevates the auditory journey to new heights, delivering crystal-clear and dynamic sound quality.

This cutting-edge facility is designed to accommodate a diverse range of events, from academic presentations to cinematic screenings. With a seating capacity of 128, the theatre provides an intimate yet engaging environment for students and faculty alike. The combination of advanced audio-visual technology and a well-thought-out layout ensures that every seat offers an optimal viewing and listening experience.

Gems Arts and Science College Theatre serves as a focal point for cultural enrichment and academic discourse, fostering a sense of community and intellectual engagement. It stands as a testament to the institution's commitment to providing students with an environment that encourages both artistic expression and scholarly pursuits. The theatre is undoubtedly a beacon of innovation, where the convergence of technology and education creates a vibrant space for learning and entertainment.
