

## ACTIVITY REPORT

### EARTH PROCESSES AND LANDSCAPES

23.05.2023

The students of P.G Department of Applied Geology, Gems College visited the Geology Department of Farook College Kozhikode on 23/05/2023 as a part of seminar on the topic of "Earth processes and landscapes". Dr. Babeesh. C, Assistant Professor, Department of Geology, Farook College (Autonomous) handled the session. The seminar presentation on Earth Processes and Landscapes aimed to provide a comprehensive understanding of the dynamic processes shaping our planet's surface and the resulting diverse landscapes. The presentation covered key concepts, geological phenomena, and their impacts on Earth's physical features. The students got vital information and exact idea of the topic Earth processes and landscapes.
