

ACTIVITY REPORT
ENTREPRENEURISM INTRODUCTION AND EFFECTS
10.05.2023

The Department of Mathematics, in association with the Internal Quality Assurance Cell (IQAC), organized a webinar on the topic of "Entrepreneurism Introduction and Effects." The aim of the webinar was to provide participants with insights into the field of entrepreneurship and its impact on society and the economy. The webinar took place on 10/05/2023, conducted via Zoom. Abdul Salam CP, the Executive Director of BNI Palakkad and Past Zone President of JCI India, served as the esteemed resource person for the webinar. With his vast experience in entrepreneurship, Abdul Salam CP brought valuable knowledge and practical expertise to the session. There were 27 participants from Farook College Farook and 31 participants from GEMS Arts and Science College attended the webinar.

These participants comprised students, faculty members, and individuals interested in exploring the world of entrepreneurship and its effects. During the webinar, Abdul Salam CP shed light on various aspects of entrepreneurship, introducing participants to the fundamental concepts and discussing its effects on both individuals and the broader community. The following key areas were covered- Introduction to Entrepreneurship, Impact of Entrepreneurship, Case Studies and Examples.

The webinar on "Entrepreneurism Introduction and Effects" organized by the Department of Mathematics in collaboration with IQAC was a valuable and enlightening session. Participants gained insights into the world of entrepreneurship and learned about its positive effects on both individuals and society at large. The knowledge and experiences shared by Abdul Salam CP provided inspiration and encouragement to those interested in pursuing entrepreneurial endeavors. The event was successful in fostering a deeper understanding of entrepreneurship among the participants and promoting an entrepreneurial mindset within the academic community.
