ACTIVITY REPORT

FACULTY EXCHANGE PROGRAMME

30.03.2023

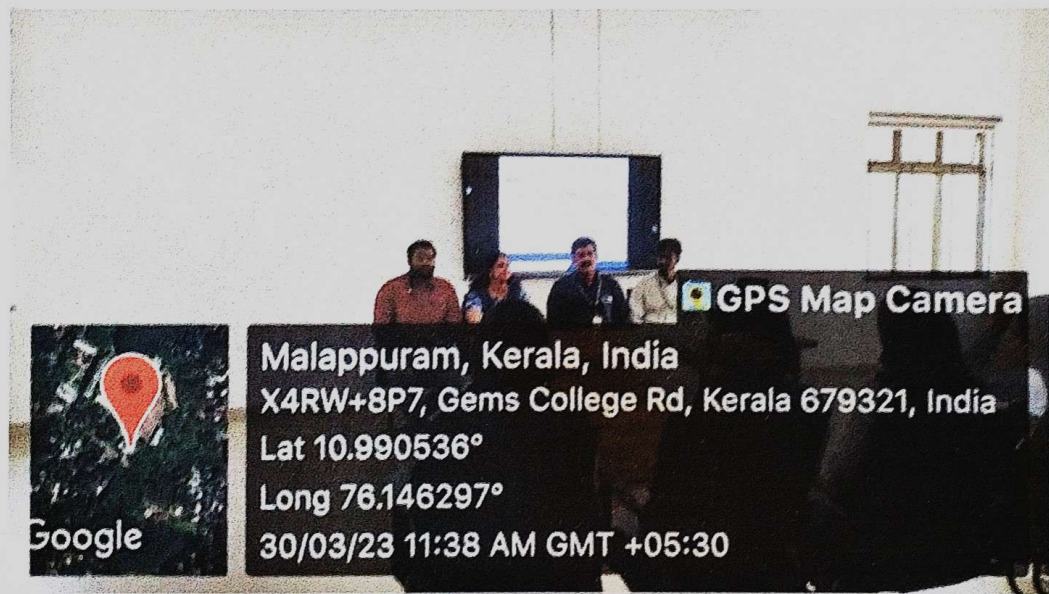

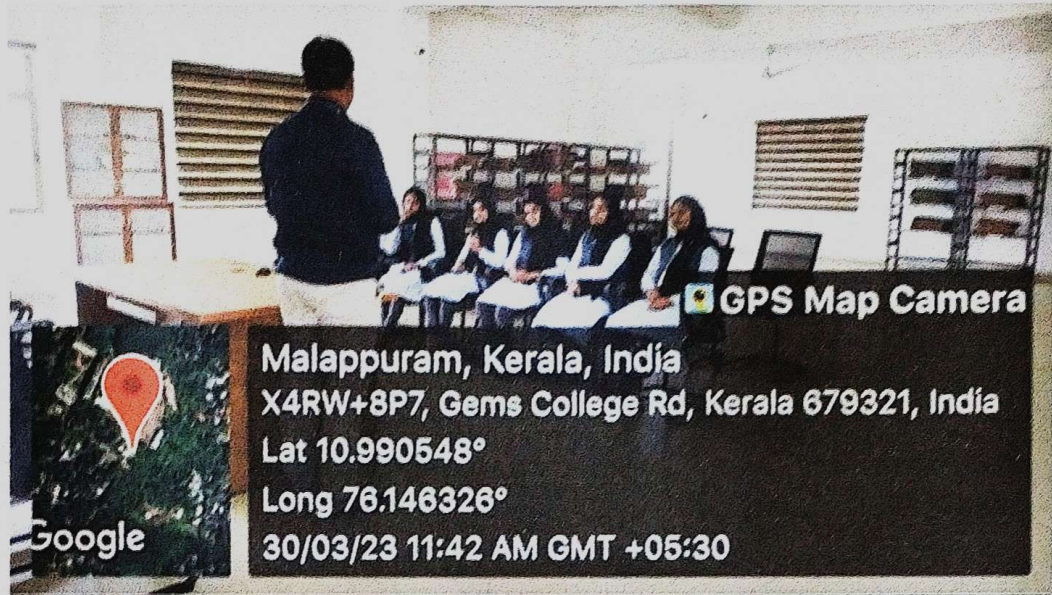

The Department of Mathematics, in collaboration with the Internal Quality Assurance Cell (IQAC), organized a faculty exchange program on the topic of "General Vector Space" on 30th March 2023, starting at 11:30 AM. The event took place at Gems Arts and Science College Ramapuram. The program had a total of 6 participants, including faculty members and students from various departments. The introductory address was delivered by Jayasree KG, Head of the Department of Mathematics, and Rajesh VP, Assistant Professor and Head of the PG Department of Mathematics at Majlis Arts and Science College Puramannur.

The session commenced with an interactive discussion on the fundamental concepts of vectors and space. Participants actively engaged in the discussion, asking relevant questions and seeking clarification. Rajesh VP explained the topic of "General Vector Space" with the aid of examples, ensuring that all doubts were addressed effectively. The students showed great enthusiasm and interest throughout the session. At the conclusion of the program, an acknowledgment of appreciation was delivered by Farhana PV, a second-year BSc Mathematics student, on behalf of the students, and Abdul Basheer, Assistant Professor in the Department of Mathematics, on behalf of the faculty. The exchange program concluded at 12:30 PM, after a fruitful and engaging session.

ACTIVITY REPORT

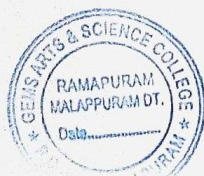

IPR IN THE DIGITAL AGE: CHALLENGES AND OPPORTUNITIES

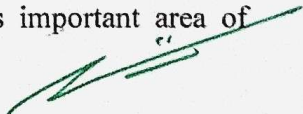

16.05.2023

The Department of Mathematics, in association with IQAC, conducted a webinar on the topic "IPR in the Digital Age: Challenges and Opportunities" on 16.05.23. The webinar took place on the Google Meet platform and had 40 participants from Gems Arts and Science college and 15 participants from Majlis Arts and Science College, Puramannur witnessed the meet. The session commenced at 02:30 pm with a warm welcome delivered by Akhil P P, Assistant Professor in the Department of Mathematics. Akhil set the stage for the webinar, expressing gratitude to the participants for their presence and emphasizing the importance of intellectual property rights (IPR) in the digital era.

The main speaker for the session was Jayasree K G, an Assistant Professor and the Head of the Department of Mathematics. Jayasree shared insights into the challenges and opportunities surrounding IPR in the digital age. She discussed the evolving landscape of intellectual property protection, focusing on the digital context and the unique challenges it presents. Throughout the session, Jayasree highlighted the importance of understanding IPR laws and regulations, especially in the digital realm. She discussed issues such as copyright infringement, plagiarism, and the impact of technological advancements on intellectual property.

The webinar concluded at 03:30 pm with an appreciation word delivered by Aiswarya Govind, an Assistant Professor in the Department of Mathematics. Aiswarya expressed gratitude to Jayasree for her valuable insights and thanked the participants for their active engagement and participation. Overall, the webinar on "IPR in the Digital Age: Challenges and Opportunities" provided a platform for participants to gain a deeper understanding of the complexities surrounding intellectual property rights in the digital era. The session facilitated discussions on the emerging issues, trends, and opportunities in the field of IPR. The Department of Mathematics, in collaboration with IQAC, demonstrated its commitment to fostering knowledge and awareness in this important area of study.
