**PROGRAM REPORT**  
**FROM CLICK TO CLOUD: THE GDS REVOLUTION IN TRAVEL**  
**29.05.2023**

The seminar aimed to shed light on the revolutionary changes brought about by Global Distribution Systems (GDS) in the travel industry. Mr. Rasal, the Operations Manager at Akbar Holidays, served as the distinguished speaker for the event. The seminar commenced on May 29, 2023, at the KMCT Arts and Science College, in association with the Department of Travel and Tourism of GEMS Arts and Science College. The event gathered students, faculty, and industry professionals eager to delve into the transformative journey of the travel industry from traditional methods to the contemporary era of cloud-based solutions. Mr. Rasal, an esteemed Operations Manager at Akbar Holidays, brought a wealth of experience and expertise to the seminar. His insights into the travel industry's evolution and the role of GDS in shaping modern travel practices added significant value to the program. Mr. Rasal provided a comprehensive overview of GDS, explaining its role as a network that enables transactions between travel industry service providers and travel agencies. The historical context highlighted the shift from manual processes to the automated, technologically-driven systems that dominate the industry today. The speaker discussed the revolutionary impact of GDS on the travel sector. The transition from traditional booking methods to online platforms and cloud-based solutions was explored in detail. Attendees gained valuable insights into how GDS has streamlined processes, enhanced efficiency, and improved the overall customer experience. Students were enlightened about the growing relevance of GDS in the travel and tourism sector. Mr. Rasal shared valuable perspectives on the career opportunities arising from the increasing demand for professionals well-versed in GDS technologies.
