ACTIVITY REPORT

SEMINAR ON "JAVA PROGRAMMING"

13.01.2020

On the 13th of January 2020, a highly informative seminar on "Java Programming" was conducted by Rahma, an Assistant Professor from the Department of Computer Science at Nasra Arts and Science College in Tirurkad, Malappuram. This enlightening event took place at GEMS Arts and Science College in Ramapuram, Malappuram.The seminar held significant importance as it was a result of the Memorandum of Understanding (MoU) signed earlier between Gems College and Nasra College on the 3rd of December 2019. This MoU aimed to foster collaboration in areas such as faculty support, joint placement drives, and the organization of seminars, among other initiatives.

The seminar on Java programming attracted the participation of 40 enthusiastic students. Rahma, the knowledgeable assistant professor, delved into the intricacies of Java programming, sharing valuable insights and practical knowledge with the eager audience. Her presentation covered fundamental concepts, advanced topics, and real-world applications of Java.The feedback received from the participants was overwhelmingly positive, with students expressing their appreciation for Rahma's expertise and the insightful content of the seminar. They highlighted how the seminar had enhanced their understanding of Java programming, a skill crucial in the field of computer science and software development. The seminar proved to be a resounding success. It not only enriched the knowledge of the participating students but also showcased the potential for future collaborative endeavours between the two institutions.
