

കേരളം കേരള KERALA MEMORANDUM OF UNDERSTANDING

DS 228193

This memorandum of understanding entered into existence on 24th May 2023 between the P.G Department of Applied Geology, GEMS Arts and Science College Ramapuram, Malappuram, Kerala (hereinafter also referred to as "the first party")

And

Department of Geology, Farook College (Autonomous) Kozhikode, Kerala (hereinafter also referred to as "the second party")

NOW THEREFORE THIS MEMORANDUM OF UNDERSTANDING WITNESSES FOLLOWS:

This Memorandum of Understanding (MoU) is a non-exclusive agreement for collaboration between the first party and the second party (hereinafter also referred to as "both parties")

This MoU is valid for a period of two years from the date of this document, and may be extended further on mutual consent.

Both parties will designate a contact person from each side who will be the primary point of contact on the behalf of that party, the contact details of each of whom will be provided in writing to both parties.

1. OBJECTIVE

The parties agree that the objective of the present MoU is to establish a cooperation program in order to collaborate towards the formation of students, academics and researchers for the promotion and the development of their respective areas of interest.

2. METHOD FOR ACHIEVING THE OBJECTIVES

In order to achieve the aforementioned objectives, both parties, in mutual agreement, shall develop cooperation programs and projects that will specify the commitments each of them is to make for the performance of said programs.

3. AREAS OF CO-OPERATION

Whereas both parties recognize that, the academic collaboration would be of mutual benefit and would provide strengths in research and education and their mutual interest in engaging themselves in academic cooperation. As per the purpose of the said agreement, the two parties shall:

- i. Research Collaborations: Faculty/Researchers /Students of both parties can collaborate in future research projects that either involve working cooperatively with partner institutions and / or cover a research with an international component. Activities include, but are not limited to, efforts toward developing proposals for collaborative research, coauthoring publications, conducting joint research projects or establishing joint research center etc.
- ii. Faculty exchange with partner institution: Faculty members of both parties can travel between to participate in activities that can enhance their international/national experience and knowledge and to foster relations between the parties. Activities include, but are not limited to, delivering lectures, teaching a course, taking a sabbatical, acquiring skills for departmental governance and developing collaborative research etc.
- iii. Student Exchange with partner institutions: Students can be given an opportunity to travel among parties to participate in activities/events that will enhance their international/national / intercultural experience and knowledge.
- iv. Cooperate in the exchange of information relating to their activities in teaching and research in fields of mutual interests ;sharing best practices adopted by each parties ; sharing of e-content between the parties; access to library and repository services , if possible
- v. Conduct cultural projects, study tours, as mutually agreed in writing between the parties prior to commencement of this activity.

4. FUNDING

- a. Expenses for transportation , room and board and personal expenses of exchange students , teachers or officers shall be covered by each individual
- b. Students , interns and officers shall be responsible for requesting and obtaining lodging by inquiring with the host institution, which shall provide every help necessary for them to obtain safe convenient lodging arrangements

5. NO EMPLOYMENT RELATIONSHIP

The parties agree that this agreement shall not be constructed in any manner as establishing any kind of partnership or bond of a labor nature between them.

Thus, in all activities stemming from the present MOU and from subsequent specific action plans, the parties are in understanding that, in all cases, no employment relationship shall remain in force between employing institution and its perspective personnel.

6. AUTONOMY

This agreement is a statement of intentions and does not involve, in any instance whatsoever, any financial obligations between the subscribing institutions

7. CONFLICT RESOLUTION

Each Institution shall settle through any dispute resulting from the interpretation or application of this agreement direct negotiation and common agreement by the persons delegated to such end. Either party may propose to the other a modification of the Agreement at any time in writing

8. CONFIDENTIALITY

Each of the parties accepts and declares that every information from the other parties is of a confidential nature is the exclusive property of the latter and has been or will be disclosed to the former solely with the purpose of enabling the full accomplishment of the present agreement. For this reason, every piece of information provided by one party to the other before signing this agreement and or during its performance must be kept confidential and therefore may not be disclosed to any third parties

9. AMENDMENTS

The parties may amend or amplify this Agreement through agreements in writing to that effect. Said amendments or additions will be binding on the signatories as of the date of their signature. The parties may not assign, in whole or in part, the performance of the present MoU to any third party, except through prior and express authorization in writing by both of them. In addition, since both parties are in agreement regarding the content of the present document, and as a token of conformity, we sign it in two counterparts, both of which will be considered originals.
